Safety and Care Advice

Important - Read these instructions fully before starting assembly

- Check you have all the components and tools listed on page 2.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Do not stand or put weight on the components during assembly, this could cause damage.
- Assembly on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.
- Dispose of all packaging carefully and responsibly.
- Do not sit or stand on this table.
- A weighted umbrella base must be used when using an umbrella with this table.
- Do not put very hot items directly on the table surface.
- Warning: The unit weighs approximately 25.3 kgs. Please lift with care.

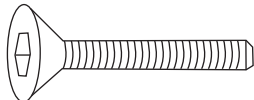

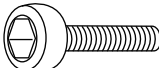

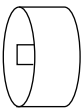

Care and maintenance

- This table top is a manufactured composite materials made using mainly PVC and processed wood powder, and will keep it's beautiful natural looking appearance with very little care and maintenance. The use of harsh chemicals or application of paint or varnish is not approved and maybe affect the durability of your product.
- Wash the table surface with mild soap and water, rinse thoroughly and dry completely.
- Do not use washing powders or any abrasive substances which may scratch the surface.
- As with natural wood products the surface of your table can be damaged by the effects of heat or radiation from an external source such as a barbecue grill, hot pans or reflection from glass in extreme heat conditions, so please take care with your table .
- Inspect and tighten all bolts and fasteners on a regular basis to ensure proper performance and safety of your table.
- When moving the table, remove the umbrella and lift. Do not drag this table.
- We recommend the use of furniture covers when not in use.
- In order to prolong the life and beauty of your table, we recommend that it be stored in a dry and protected area when not in use.
- Do not use the table surface as a chopping board or strike it with hard or pointed items.

Assembly Instructions

Step 1

Lay the table top **1** on to a flat even surface, such as carpet with underside facing upwards. Attached the legs **2** to the underside of the table top rim **1** by using bolts **A** as shown in the diagram. Do not tighten the bolts at this time.

Note:

The arrows on the legs indicate the correct edge to fit to the table rim and ensure correct assembly-see diagram.

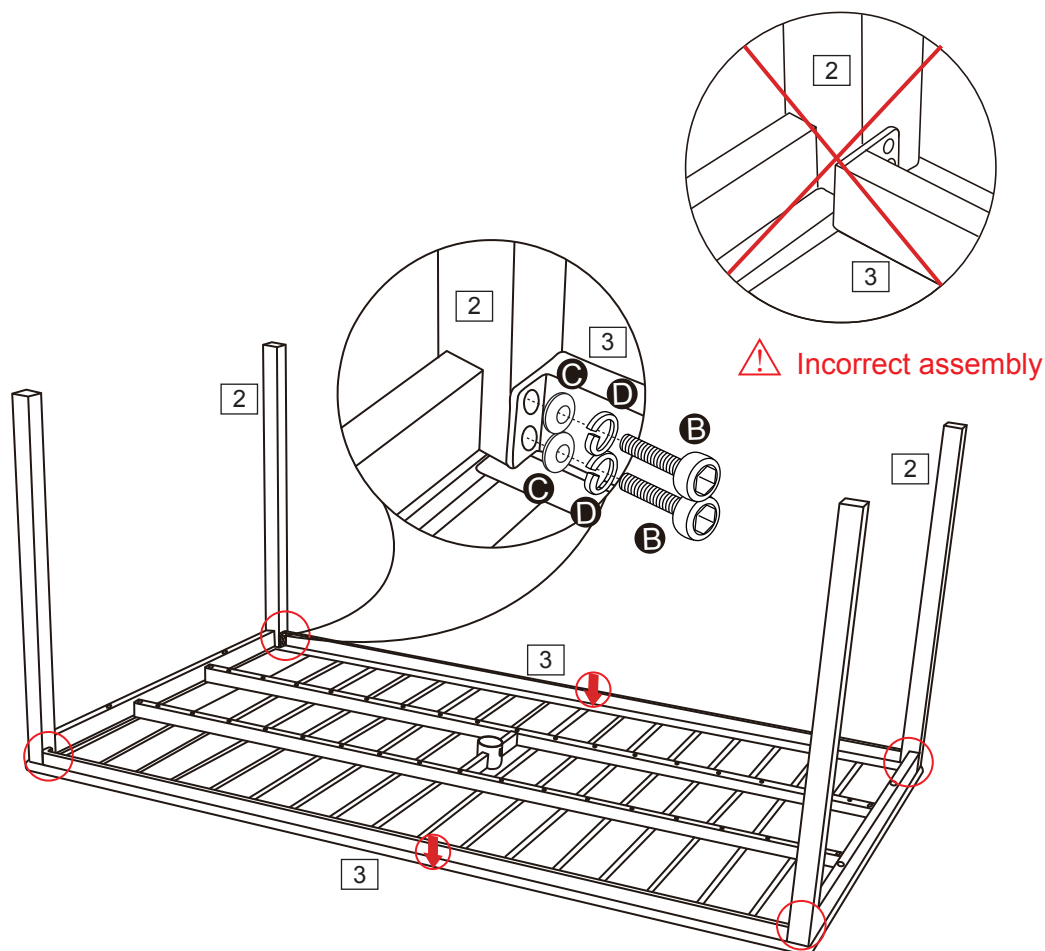

Step 2

Attach the supports **3** to the legs **2** by using bolts **B**, washers **C** and **D**. Do not tighten the bolts this time.

Note:

1. The arrow marks on the supports **3** should coincide with Figure to ensure proper assembly.
2. The tabs on the supports **3** should be facing towards the inside to ensure proper assembly.

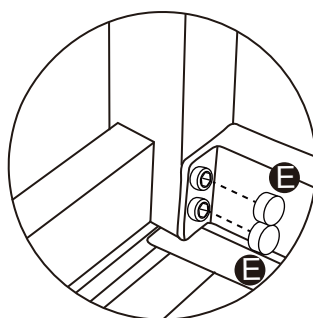

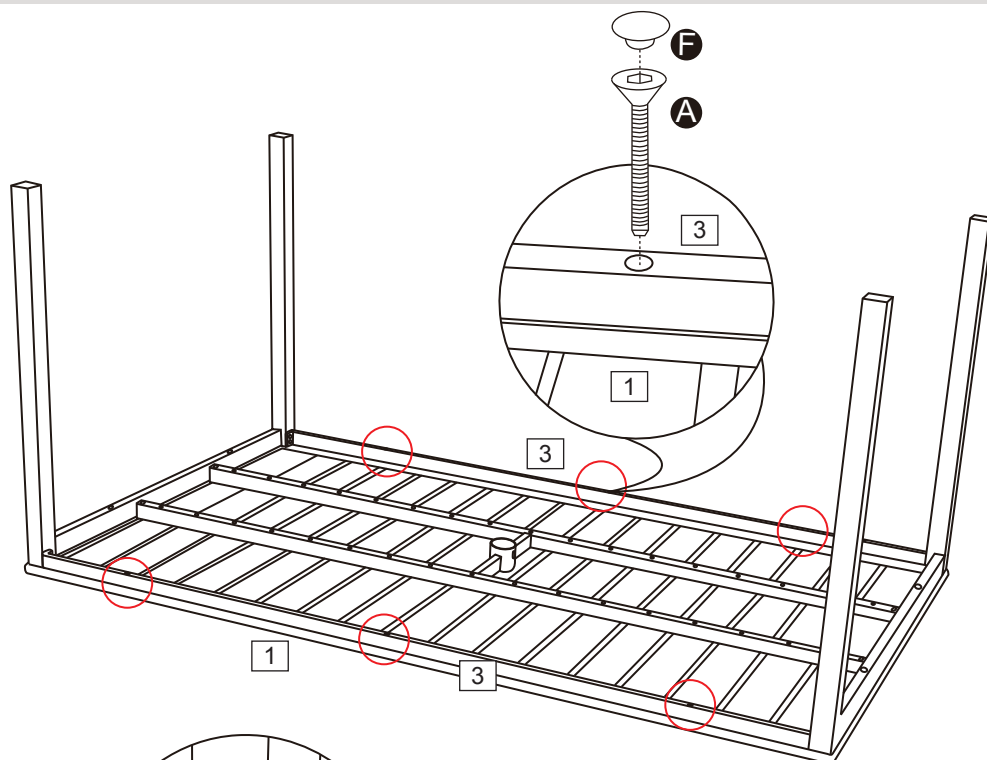

Assembly Instructions

Step 3

Fasten the supports **3** to the underside of the table top **1** rim by using bolts **A**.

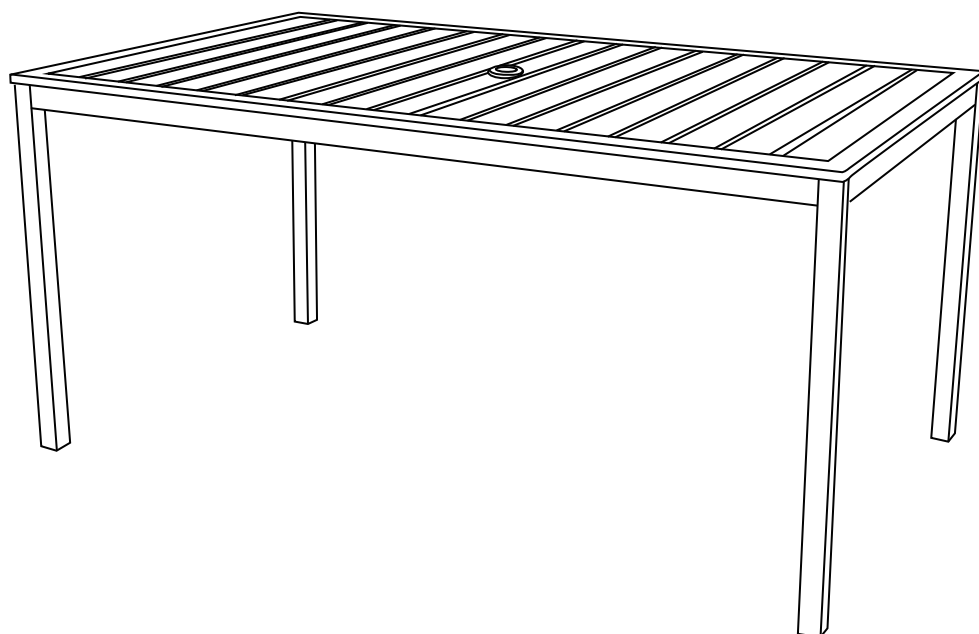

At this point tighten all bolts and cover with bolts and caps.

Step 4

Turn the table to its upright position.

Note:
To use an umbrella with this table, remove the plastic center plug and put the umbrella pole through the table top.

Assembly is completed.
