# Safety and Care Advice

**Important – Please read these instructions fully before starting assembly**

- Check you have all the components and tools listed on pages 2.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.

- We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

## Safety Warning Information

- Do not place very hot or very cold items against or in close proximity to glass surface unless an adequately thick insulating material is used to prevent such items from coming into contact with the mirror.
- Do not strike the mirror with hard or pointed items.
- Do not sit or stand upon horizontal mirror surfaces.
- When cleaning glass panels or mirrors use a damp or leather with washing up liquid or soft soap if necessary; do not use washing powders or any other substance containing abrasive since these substances scratch glass.
