Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Keep these instructions for future use.
- Check you have all the components and tools listed on page 3 and 4.
- Do not stand on or put weight on the product, this could cause damage.
- Parts of the assembly will be easier with 2 people.
- Dispose of all packaging carefully and responsibly.
- Do not use this item if any components are missing or damaged.
- During assembly children should be kept away from the product due to possible risk of injury.
- Remove all fittings from the plastic bags and separate them into their groups.
- To ensure an easier assembly, we strongly advise that all fittings are only finger tightened during initial assembly. Only upon completion of the assembly should all fixing points be fully tightened.

We do not recommend the use of power drill/drivers for inserting screws.

as this could damage the unit. Only use hand screwdrivers.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts
- Regularly check and ensure that all bolts and fittings are tightened properly.

Note: if required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.
