Safety Information

Slazenger™

Important – Please read fully before assembly or using

To reduce the risk of serious injury, read the entire manual before you assemble or operate the Slazenger Table Tennis Table. In particular, note the following safety precautions:

Assembly

- Check you have all the components and tools listed, bearing in mind that, for ease of assembly, some components are pre-assembled.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Assemble the item as close to its final position as possible.
- Position the equipment on a clear, level surface.
- Dispose of all packaging carefully and responsibly.
- This item is heavy and requires two adults to assemble, lift or manoeuvre.

Using

- This table is suitable for indoor and outdoor use, but must be stored indoors when not in use.
- It is the responsibility of the owner to ensure that all users of this product are properly informed of how to use it safely.
- This product is intended for domestic use only. Do not use in any commercial, rental, or institutional setting.
- Before using the equipment to exercise, always do stretching exercises to properly warm up.
- If the user experiences dizziness, nausea, chest pain, or other abnormal symptoms stop the workout and seek immediate medical attention.
- Keep hands away from all moving parts.
- Always wear appropriate workout clothing when exercising. Do not wear loose or baggy clothing, since it may get caught in the equipment. Wear athletic shoes to protect your feet while exercising.
- Do not place any sharp objects around the equipment.
