Assembly Advice Important Retain for Future Reference. Read Carefully

Before commencing assembly, we recommend that you familiarise yourself with the component part and the instructions. We suggest that you lay out the components and check these against the parts list supplied.

- Please retain packaging materials until assembly is complete; then dispose of packaging materials carefully
- We recommend that you assemble the product on a soft/carpeted surface to prevent any damage to panels during assembly
- Ensure that all fixings are tight and check these periodically for tightness
- **Note: small parts pose a potential safety hazard; ensure that these are securely attached and kept out of reach of children**
- **If you need help or have damaged or missing parts, Call our customer helpline – 08456 400800.**
