Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on page 2 and 3.
 - Remove all fittings from the plastic bags and separate them into their groups.
 - Keep children and animals away from the work area, small parts could choke if swallowed.
 - Make sure you have enough space to layout the parts before starting.
- During assembly do not stand or put weight on the product, this could cause damage.
 - Assemble the item as close to its final position (in the same room) as possible.
 - Assemble on a soft level surface to avoid damaging the unit or your floor.
 - Parts of the assembly will be easier with 2 people.
- 
 - To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting.
 - Dispose of all packaging carefully and responsibly.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do no use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.
- Reguraly check and ensure that all bolts and fittings are tightend properly.
