SPIRALIZE WITH MAGIMIX

POTATO SPAGHETTI PIZZA

Preparation: 15 minutes

Cooking: 40 minutes

Cone: Spaghetti

Serves: 4

- | | |
|--|---|
| 1 large baking potato (350g), peeled | 100g passata |
| 2 tbsp olive oil, plus extra for drizzling | 150g mozzarella, sliced |
| ½ cauliflower (300g florets) | 1 handful of basil leaves (torn if large) |
| 2 large eggs, lightly beaten | Salt and pepper |
| 40g grated Parmesan cheese | |

1. Spiralize the potato using the SPAGHETTI cone. Cut into shorter lengths.
2. Heat the olive oil in a frying pan over medium-low heat. Cook the spaghetti for 10 minutes until tender. Set aside to cool.
3. Pulse the cauliflower in the food processor to fine crumbs. Steam for 10-15 minutes. Set aside to cool. Place in the middle of a clean tea towel and gently squeeze out as much water as possible.
4. Preheat the oven to 220°C.
5. Transfer the cauliflower to a bowl. Add the potato spaghetti, eggs and Parmesan; season.
6. Line a baking tray and spread the mixture across so that it is 1/2 cm thick; drizzle with olive oil.
Bake for 15 minutes until crisp. Turn the pizza base over, cover with passata and mozzarella. Bake for another 5-8 minutes until the cheese bubbles. Garnish with basil.
