

World's Slimmest Soundbar and Bluetooth Speaker

Unleash
awesome audio
from your TV

Stylish Hi-Fi Audio that adds powerful performance to TV Home Cinema.

This is what's been missing for so long from slimline TV – and it adds an exciting new dimension to your total enjoyment.

The STE-1000 BSW Soundbar is amazingly compact... yet along with its passive subwoofer it delivers incredible audio with explosive bass.

Sensational surround sound to match the mood of whatever you're watching. It also adds a sophisticated touch to your system, with a black finish and sleek lines.

Brilliant to listen to, beautiful to look at.

- 160W of Total Speaker Output from advanced amplifier design technology that brings a new definition to Hi-Fi
- Wide spatial sound feature for a powerful cinema sound effect
- Built in Bass Enhancer for rich deep tones throughout your room
- Flexibility from wall mounting brackets and a stylish shelf stand
- The passive subwoofer can be placed up to three metres away from the soundbar
- Multiple inputs including BLUETOOTH / S/PDIF / AUX enable multiple connections from various devices
- Easy set up and simple installation
