# Safety and Care Advice

## Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the following pages.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- During assembly do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting.

## Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

## Handy Hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.
- Regularly check and ensure that all bolts and fittings are tightened properly.

## Mirror Safety

- Keep these instructions for future reference
- imported by:  
Argos Ltd  
489-499 Avebury Boulevard.  
Saxon Gate West.  
Central Milton Keynes  
MK9 2t4W
- If the mirror is chipped or broken: stop using the product and consult the Manufacturer or Supplier
- Batch No: 368406
- Date of Manufacture: Apr. 2016
- Type of mirror used: 5 mm mirror

### Warning:

- (a) Do not place very hot or very cold items on the mirror surface(s) unless adequately thick table mats are used to prevent such items from coming into contact with the mirror.
- (b) Do not sit or stand upon the mirror surface(s).
- (c) Do not use the mirror as a chopping surface. Do not strike the mirror with hard or pointed items.
- (d) When cleaning mirror panels use a damp cloth or leather with washing up liquid or soft soap if necessary, do not use washing powders or any other substance containing abrasives since these substances scratch mirror.

**Note:** If required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.
