Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on page 2

- Remove all fittings from the plastic bags and separate them into their groups.

- Keep children and animals away from the work area, small parts could choke if swallowed.

- Make sure you have enough space to layout the parts before starting.

- Do not stand or put weight on the product during assembly, this could cause damage.

- Assemble the item as close to its final position (in the same room) as possible.

- Assemble on a soft level surface to avoid damaging the unit or your floor.

- Parts of the assembly will be easier with 2 people.

- We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers.

- Dispose of all packaging carefully and responsibly.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

- From time to time check that there are no loose screws on this unit.

- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Assembly Instructions

Step 1

Carefully place table top upside down being careful as to not scratch the table top surface (Leaving the product within its cardboard packaging will assist you in being able to do this)

a: Now attach the legs **2** (x4) to each of the corners, by first applying the bolt **A** followed by Spring washer **B** and Washer **C** through corners blocks to the holes on each then lastly tighten using the Allen key **D**.

Tighten all 8 bolts securely.

b: 2 people are required for this next stage.

Please now turn the table 180 degrees and place on all four of its legs in your desired location.
