# Safety and Care Advice

## Important - Please read these instructions fully before starting assembly

- This product is manufactured from toughened safety glass. In the unlikely event that the glass fails it will break in to a large number of small fragments that may be spread over a wide area. This is a feature of toughened glass, designed to remove the risk of Injury from glass breaking into large shards.
- If the glass is chipped or broken, stop using the product and consult the manufacturer or supplier.
- Check you have all the components and tools listed on page 2.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- Do not stand or put weight on the panels during assembly, this could cause damage.
- Assembly on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.
- Dispose of all packaging carefully and responsibly.
- Do not sit or stand on this table.
- Do not place very hot or very cold items on the glass.
- Warning: The unit weighs approximately 16.3 kgs. Please lift with care.

## Care and maintenance

- Wash frame parts with mild soap and water, rinse thoroughly, and dry completely. Do not use bleach, acid, or other solvents on the frame parts.
- Wash glass with mild soap and water, rinse thoroughly, and dry completely.
- Do not use washing powders or any abrasive substances which may scratch the surface.
- Inspect and tighten all bolts and fasteners on a regular basis to ensure the proper performance and safety of your table.
- When moving the table, lift. Do not drag this table.
- We recommend the use of furniture covers when not in use.
- In order to prolong the life and beauty of your table, we recommend that it be stored in a dry and protected area when not in use.
