Important - Please read these instructions fully before starting assembly

If you need help or have damaged or missing parts, call the **Customer Helpline: 0845 640 0800**

Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and fittings listed on pages 3.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- Do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- To avoid any risk of suffocation to animals or children dispose of the plastic bags immediately.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Safety during use

- Do not stand on this chair. Do not use this chair as a step ladder.
- Use this product only for seating one person at a time.
- Do not use this chair unless all bolts, screws and knobs are firmly secured.
- At least every 4 months, check all bolts, screws and knobs, to be sure they are tight.
- If parts are missing, broken or damaged or worn, stop use of this product until repairs are made & using factory authorized parts.
- Failure to follow these warnings could result in serious injury.

A  28.6mm Screw x 2	B  15.9mm Screw X 4	 Tools required
---	---	---

Ruler- Use this ruler to help correctly identify the screws

Assembly Instructions

NOTE: It would be useful to ask someone to help you assemble the chair.

Step 1

Fitting the base

a: Push all the five castors **7** onto the base **5**.

NOTE: Ensure all the castors are firmly located on the base.

b: Insert the gas lift **9** into the base, then slide the cover **8** over the top.

NOTE: Ensure the gas lift is fully inserted and well fitted.

Step 2

Fitting the seat cushion

Use screw **B** to fix seat support **4** onto the seat cushion **2**, ensure the support is fitted to the seat cushion with correct orientation.

Assembly Instructions

Step 3

Fitting the unit

Carefully locate the seat cushion **2** onto the base unit.

NOTE: Take care during assembly as the parts can not be disassembled after fitting.

Step 4

Fitting the backrest

Use screw **A** to fix the back support **6** and connector **3** onto backrest **1**.

Step 5

Finishing the unit

Release the locking Screw from back support **6**, then fit the back support **6** onto the base unit and tighten the locking screw.

NOTE: Make sure all the screws are tightly fitted.

Assembly is complete.
