Item No: 7224

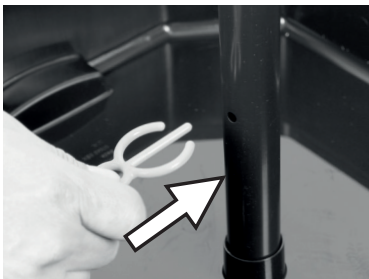

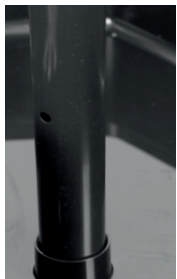

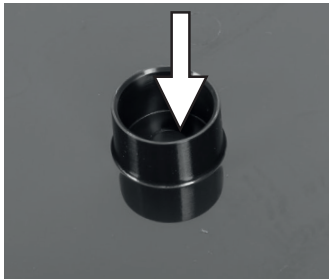

1 Contents

2

Add first pole and fill base with sand or water

Fill base with sand or water. For more robust play, please add extra ballast such as sand, bricks or stones for extra stability. Please ensure that the bottom pole is inserted before sand if used.
PLEASE NOTE: Bottom pole has a stopper in the end. Insert E clip through hole in the pole before fitting lid.

3

Fasten clips securely as shown
