

Ball Joint Buckle

Available Date:	6.26.16
UPC Code:	818279013993
Model Number:	ABJQR-001

Make adjustments to your camera angle or completely reverse it on the fly. The Ball Joint Buckle gives you endless capture possibilities. Swivel your GoPro to change the angle without stopping and un-mounting your camera. Use it with compatible GoPro mounts to get immersive POV shots, and capture your favorite activities from incredible new perspectives.

FEATURES

- Make adjustments or swivel to completely reverse your capture angle without having to stop and un-mount your camera.
- Improved ergonomic design makes the mounting buckle easier to use.
- The included mounting buckle plug provides added mounting security.

WHAT'S INCLUDED

- Ball Joint Buckle
- Long Thumb Screw

COMPATIBILITY

- All GoPro cameras

All product assets are available via secure site. Contact your GoPro channel sales rep for access information and usage terms.
