

# Casey

## Camera + Mounts + Accessories Case

Casey is the perfect GoPro travel and storage solution. It fits inside a backpack, but is large enough to carry your HERO cameras, mounts and accessories. The water-resistant, semi-rigid shell guards against light rain and snow. A padded interior protects your camera, while removable dividers let you create customised compartments.

### FEATURES + BENEFITS

#### Perfect Travel + Storage Solution

Fits into a backpack, but has room for your HERO cameras, plus mounts and accessories.
