für Mamas & Papas entschieden haben.

Seit über 30 Jahren entwickeln wir mit großem Engagement für Eltern in aller Welt Produkte, die für Qualität, Individualität und Stil stehen. Die erste Inspiration gaben uns unsere Töchter, die mittlerweile erwachsen sind, selbst Kinder haben und uns nun dabei helfen, die Mütter und Väter ihrer Generation mit unserer Begeisterung für Babyprodukte anzustecken. Wir hoffen, dass es Ihnen Spaß machen wird, sich unsere neue Kollektion anzusehen, und heißen Sie herzlich willkommen in unserer Welt.

Wir haben es uns zur Aufgabe gemacht, Produkte auf höchstem Niveau zu entwerfen, die Ihre Familie genießen kann. Daher freuen wir uns immer über Ihr Feedback oder Ihre Kommentare.

IMPORTANT! RETAIN FOR FUTURE REFERENCE: READ CAREFULLY

- **WARNING: DO NOT LEAVE THE CHILD UNATTENDED.** The safety of your child is your responsibility
- **WARNING:** Always use the wall strap to prevent children tipping furniture over
- This product is intended for children from birth up to 11kg (12 months approximately).
- Check regularly that all the fittings and screws are correctly tightened and are not damaged. Loose screws can pinch parts of the body and clothing resulting in the risk of strangulation.
- Do not use replacement parts that are not recommended or supplied by Mamas & Papas.
- Be aware of the risk of open fire and other sources of strong heat, such as electric bar fires, gas fires, etc. in the near vicinity of the changing unit.
- Always leave your product clean and dry. Wipe away any spillage straight away. Your product can be cleaned with a damp cloth. Never use harsh abrasives, bleach or strong detergents
- Before use, ensure the dresser is on a stable, level surface.
- Do not allow children to climb on the dresser.
- Never use the dresser if any parts are broken or missing.
- Never pivot or drag the dresser on its feet, the dresser must always be lifted by at least two people when moved.
- A changing mattress is not supplied with this product. We recommend that you only use a Mamas & Papas changing mattress with your dresser. Lay the changing mattress on the changing surface, within the retaining rails.
- The dresser changer must be fixed to the wall for safe use and the fastenings used should be appropriate to the wall.
- Maximum weight of the child: 11kg.

WALL STRAP INFORMATION

- The wall strap is only intended to be used with the Mamas & Papas product that it is supplied with.
- Never attempt to modify or change the wall attachment strap in any way. Never use any other fittings for attaching the strap to your furniture than those supplied.
- Never use the screw provided to attach the strap to the wall. No wall attachment fittings are supplied. This is because the type of fittings required to attach the strap to the chosen wall is determined by the composition of the wall. If you are in any doubt about the correct type of fittings to use, consult a professional before attempting to attach the strap to the wall.
- The wall strap must not be used to replace any other fitting supplied with your piece of furniture.
- Furniture falling over is generally due to the surface the furniture is placed on. A warped floor or wall-to-wall carpeting will enable the furniture to rock, so greatly increasing the potential for the furniture to fall. If the furniture is placed on a flat level wood or tiled floor the risk is reduced, but we still recommend the wall strap is fitted.
