

## EL GRANDE (97 CM EXTENSION POLE)

El Grande is an aluminium, 97 cm extension pole that takes your GoPro to new heights – literally. Capture new perspectives and get closer to the action. Plus, it's collapsible down to 38 cm for on-the-go use.

### FEATURES

- Extends to 97 cm for new perspectives and to get you closer to the action. Collapses to 38 cm, so it's easily packable for on-the-go use
- Includes an integrated ball-and-socket design at the end of the pole, allowing you to make adjustments or swivel your GoPro 360° without having to stop and unmount your camera
- Premium oversized grip allows you to comfortably use two hands to hold El Grande for a better overall experience
- Twist-lock design for quick and easy use
- Durable and waterproof

### WHAT'S INCLUDED

- Extension Pole
- Swivel Base with Thumb Screw
- Wrist Lanyard

### COMPATIBILITY

- All GoPro cameras

#### Warning

Use caution when using GoPro mounts and cameras as part of your active lifestyle.
