Safety and Care Advice

Important - Please read these instructions fully before starting assembly

• Check you have all the components and tools listed on page 2 & 3.

• Remove all fittings from the plastic bags and separate them into their groups.

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• Do not stand or put weight on the components during assembly, this could cause damage.

• Assembly on a soft level surface to avoid damaging the unit or your floor.

• Parts of the assembly will be easier with 2 people.

• Dispose of all packaging carefully and responsibly.

• Do not stand on this lounge.

• Warning: The unit weighs approximately 9.6 kgs. Please lift with care.

Care and maintenance

• Wash frame parts with mild soap and water, rinse thoroughly, and dry completely. Do not use bleach, acid, or other solvents on the frame parts.

• We recommend the use of furniture covers when not in use.

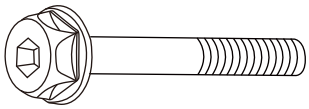

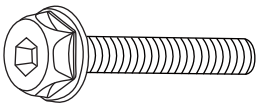

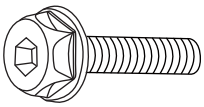

• Inspect and tighten all bolts and fasteners on a regular basis to ensure the proper performance and safety of your ottoman.

• In order to prolong the life and beauty of your ottoman, we recommend that it be stored in a dry and protected area when not in use .
