Important – Please read these instructions fully before starting assembly

If you need help or have damaged or missing parts, call the **Customer Helpline: 08456 400800**

Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on pages 2.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.

- Do not stand or put weight on the product during assembly, this could cause damage.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers.
- Dispose of all packaging carefully and responsibly.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Components - Parts

If you have damaged or missing components, call the **Customer Helpline: 08456 400800**

Please check you have all the fittings listed below

1 Support tube x 5

2 Lower side frame x 2

3 Upper side frame x 2

4 Castor x 4

5 Plastic plug x 4

Components - Fittings

Please check you have all the fittings listed below

Note: The quantities below are the correct amount to complete the assembly. In some cases more fittings may be supplied than are required.

38mm Screw x 10

12mm Screw x 2

Spanner x 1

Ruler - Use this ruler to help correctly identify the screws

Assembly Instructions

Step 1

Insert the Eng plugs **5** into the top of the Upper side frame **3**.

Fix the Castors **4** into the bottom of the Lower side frame **2** using Spanner **D**.

Repeat the above processes for the second Side frame.

Note: Place the side frame gently and horizontally on the ground.

Step 2

Fix the Upper side frame **3** to the Lower side frame **2** using Screws **B**.

Repeat the above process for the second Side frame.

Note: Place the side frame gently and horizontally on the ground.

Assembly Instructions

Step 3

Note: It would be useful to ask someone to help you at this stage.

Fix the Support tubes **1** onto the Side frame using Screws **A**.

Do not fully tighten the screws.

Step 4

Fix the Support tubes **1** onto the other side of the Side frame using Screws **A**.

Retighten all screws.

Assembly Instructions

Carefully place the tidy rail in the desired location.

Assembly is complete.
