

Redemption Instructions

Using your eGift Card is easy

Simply print out this page, including the barcode and present it in your chosen bookshop when you pay. If you cannot print this eGift Card, you can simply show it on your mobile at the till.

Where can I spend this eGift Card?

You can spend your National Book Tokens eGift Card in hundreds of bookshops across the country - please check www.nationalbooktokens.com/spend-everywhere for your nearest. You can also spend your National Book Tokens eGift Card online at several leading bookshops (to spend online, you'll need both the number and the PIN code).

What happens to change?

Any unspent amount will remain on this eGift Card for future use - please retain the original print-out or save it and print it again when you next want to buy some books. You can check your balance online at any time at www.nationalbooktokens.com

Please treat this eGift card like cash and keep it safe

To the retailer:

Please process this eGift Card in real time, the same way as you would a National Book Tokens gift card. If you cannot use a barcode scanner, please simply type the gift card number into your payment system.

Digital Terms

1. The eGift Card may only be used to purchase books.
2. Valid eGift Cards can be used as full or part payment for books of your choice in participating bookshops.
3. Bookshops will not refund the value on the eGift Card, exchange it for cash, or give change.
4. If the value of the purchase is less than the value of the eGift Card, the balance will remain on the eGift Card and may be applied to future purchases.
5. The eGift Card is for non-commercial use and may not be acquired for resale without written consent.

6. The minimum amount required to load or top-up an eGift Card is £1. The maximum limit is £250.
7. If the eGift Card is not used for a period 8 years, the eGift Card will automatically expire, and any remaining value may be deducted ('Use' for the purposes of this term includes balance enquiries).
8. The full terms and conditions applicable to this eGift Card, as varied from time to time, are available at www.nationalbooktokens.com
9. Issued by Book Tokens Ltd.

Lost, stolen, or damaged eGift Cards cannot always be replaced, and you may lose the funds stored on them. Please look after this card just like cash. Copyright © National Book Tokens
