HOW DO I REDEEM MY PRODUCT CODE?

Make sure that you log in to EA Desktop or Origin using the EA Account you want to add your game to. This is especially important if you're a parent who wants to add a game to your child's account.

Redeem your Product Code in your EA Account Settings

Go to <https://myaccount.ea.com/cp-ui/aboutme/index>

Click on the Redeem Product Code tab.

Type in your Product Code, then click Next.

Once you've redeemed your code, your game will appear in your account.

Redeem your Product Code in the Origin client

For PC

Log in with the EA Account where you want to add the game.

Click the Origin menu.

Select Redeem Product Code...

For Mac

Log in with the EA Account where you want to add the game.

Go to your computer's top menu to select Games and Redeem Product Code...
