NeoPix Prime One

NPX535/INT

The NeoPix Prime One amplifies your every viewing experience with its 720p resolution, wireless connections and built-in media player. Stream your content from any smart device via Wi-Fi, pair external speakers with the Bluetooth connection for bigger sound or just plug your game console with the HDMI port. The NeoPix Prime One gets all the connection you need to experience a super big image virtually on any wall.

The stereo speakers will ensure you have sound wherever you are, and with the 3.5mm audio jack you can plug in your external speakers for bigger sound.

The NeoPix Prime One includes a remote control to browse, play your videos, and listen to your favorite tunes comfortably seated in your sofa.
