CANYON MULTI UNIT ASSEMBLY INSTRUCTIONS

IMPORTANT - READ CAREFULLY - RETAIN THESE INSTRUCTIONS FOR FUTURE REFERENCE.

INFORMATION

- This product is designed to hold 18Kg in total, spread evenly over the whole unit.
- Do not exceed this weight.
- We recommend that this unit is assembled in the room intended for use.
- When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.
- Unwrap all packaging materials and place the components on top of the carton box or on a clean floor to prevent them from scratching.
- Check the pack and make sure you have all the parts listed.
- Ensure that this product is fully assembled as illustrated before use.
- Check all screws or bolts are tightened and inspect regularly
- Tools are not included unless specified in parts list.

WARNINGS

- This product should only be used on a firm and level floor.
- Keep small parts out of the reach of children.
- Make sure the base remains in contact with the floor.
- For safety, you must use the anti-tilt strap supplied (Q).
- DO NOT use power tools to construct this product.
- DO NOT tighten screws until parts are assembled or as advised in this guide.
- DO NOT over-tighten tighten screws or bolts.
- DO NOT use this product if parts are missing, damaged or worn.
- DO NOT climb, sit or stand on the product.

CARE INFORMATION

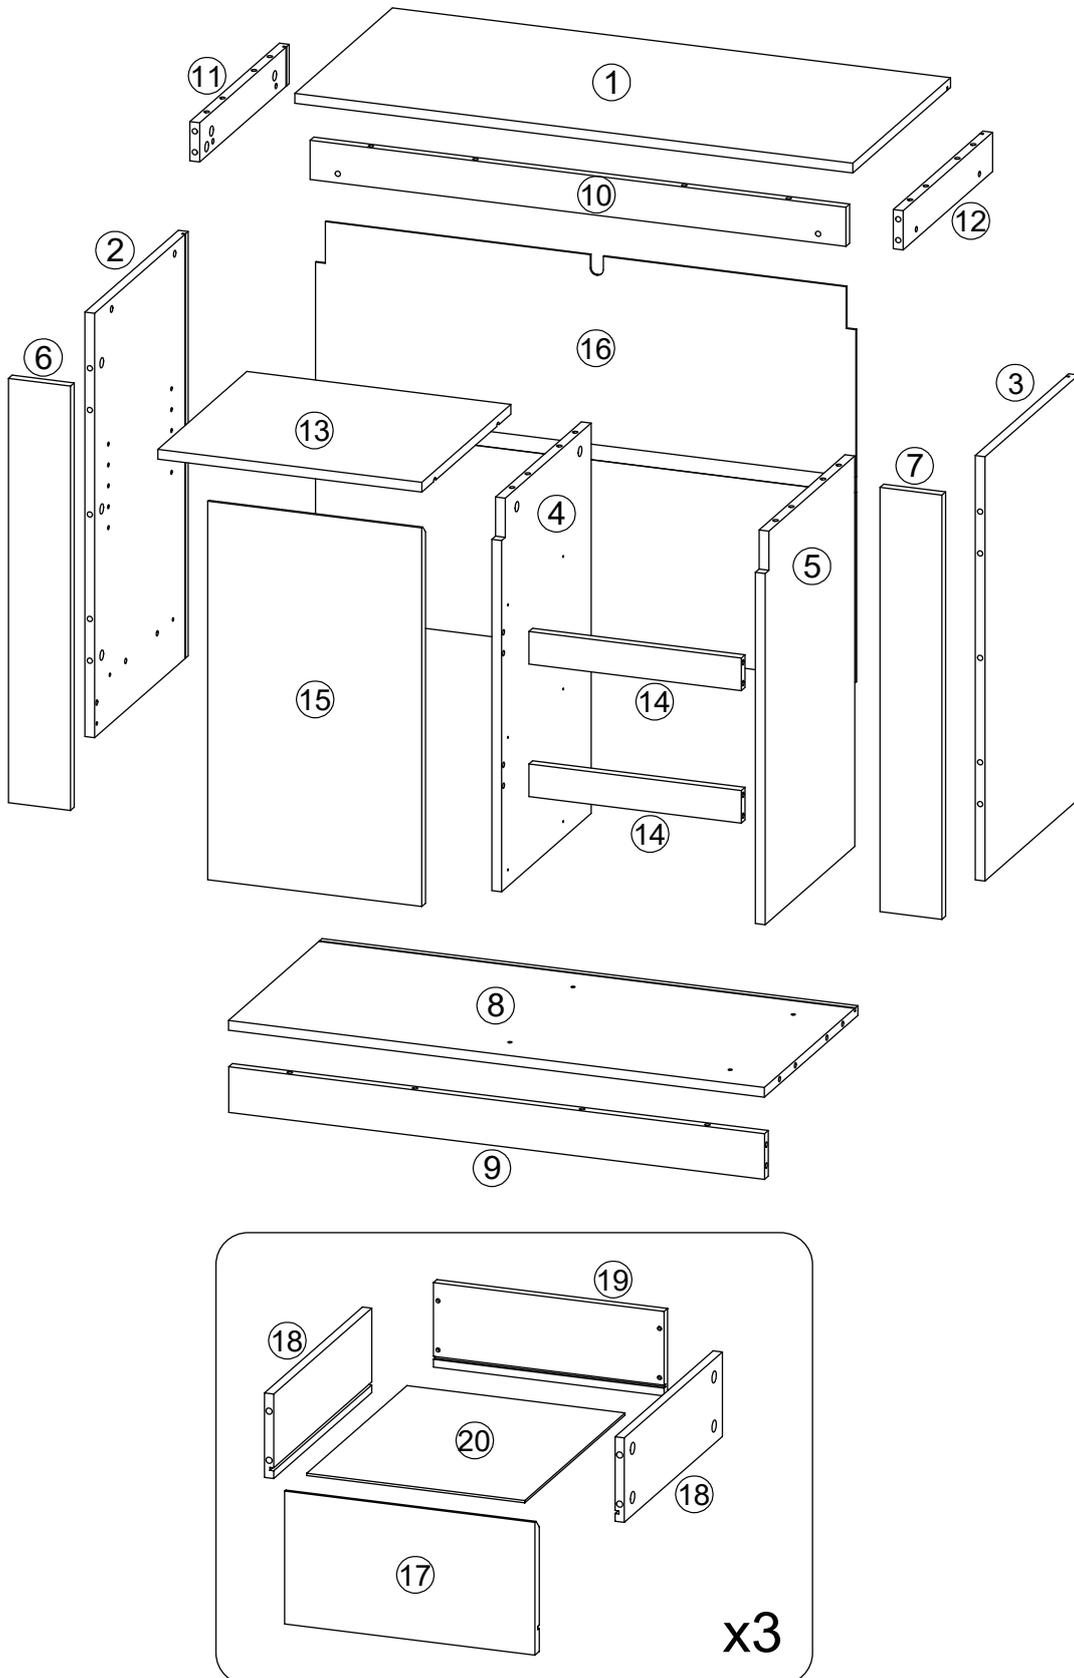

- To clean, wipe with a damp clean cloth.
- Never use scourers, abrasives or chemical cleaners.
- Do not use solvent based cleaners or detergents as they can bleach or damage the product.

CANYON MULTI UNIT ASSEMBLY INSTRUCTIONS

Parts and Fittings Checklist

Please check the pack contents before assembling the product. If any components are missing, please contact your retailer.

The fittings pack contains small items that should be kept away from children.

STEP 18

Note: We recommend using the wall strap (Q). This is provided to avoid accidents and possible fatal injuries if the item falls over during use. This is for the safety of you and your children or pets
Warning: Always ensure the wall area to be drilled is free of electrical wires, water and gas pipes. We don't supply wall fixings as these must suit the wall type of your own home. If in doubt please consult a qualified trades person.
