

## HOW TO USE

## WHERE TO USE

For small or bare rooted plants in beds, borders and vegetable plots apply when preparing the soil for planting. Sprinkle evenly over the soil and mix in well. Water well after planting out, especially in dry weather.

For bigger, well rooted plants, bushes and trees mix with soil or compost and use as planting mix. Water well afterwards.

During the growing season: Sprinkle evenly over the soil around plants. Gently work it into the soil surface with a hand fork or hoe without disturbing the plant roots and water in thoroughly.

### BALANCED MIX OF NUTRIENTS FOR ALL PLANTS:

Nitrogen encourages strong growth and healthy, lush green leaves for up to 4 weeks.

Phosphorus promotes vigorous root growth and establishes plants quickly.

Potassium produces more flowers and improves ripening of fruit and vegetables.

Can be used all around the garden.

## WHEN TO USE

In spring for new and established plants and for reapplication during growing season.

## APPLICATION RATE

**Bedding plants**  
50-75g per m<sup>2</sup>

**Flowers**  
75-100g per m<sup>2</sup>

**Bushes, trees and conifers**  
50-100g per plant\*

### FRUIT

**Strawberries**  
50g per m<sup>2</sup> in spring, apply 75g per m<sup>2</sup> after fruiting

**Fruit trees and bushes**  
50-125g per m<sup>2</sup>\*

### VEGETABLES

**Low feed vegetables:**  
Lettuce, radish, onions, French beans  
50-75g per m<sup>2</sup>

**High feed vegetables:**  
Courgettes, tomatoes, potatoes, carrots  
75-100g per m<sup>2</sup>\*

\*A second or third dose can be given every 6 weeks, when plants are actively growing

**COVERAGE: 72M<sup>2</sup> - 180M<sup>2</sup>**

## SAFETY AND ADVICE

- Only use where there is a recognised need to feed plants.
- Keep away from plant leaves and stems.
- Do not exceed the appropriate application rate. Increasing the dosage may result in damage to your plants.
- Store in the original container in a cool, dry, frost-free place away from children, pets and foodstuffs.
- Always wear gloves when gardening
- Wash hands and exposed skin after use.
- Do not eat or smoke while applying the product.

**ALWAYS USE GLOVES**
