LEXIBOOK®

POWERMAN® JR., my 1st smart interactive robot! He knows all animals on Earth and can even guess them with its artificial intelligence!

- Controllable in all directions thanks to its remote control.
- Educational quiz about animal sounds.
- Programming function to create movement sequences and even create new dances by adding music.
- He reads people's mind thanks to his artificial intelligence. The kid can think about an animal, POWERMAN JR. will ask him basic questions with yes/no answers, and the robot will guess the animal.
- Plays music and dance.
- Playback function with his funny robot voice. POWERMAN JR. will memorize and reuse later what has been taught to him.
- Karaoke function to create songs by recording a message that the robot will repeat singing and dancing.
- Amazing sound and light effects.

- Packaging dimensions: 21 x 10.5 x 28 cm
