

WHERE TO USE

BALANCED MIX OF NUTRIENTS FOR ALL PLANTS:

Contains naturally occurring materials which supply 3 main nutrients:

Nitrogen quickly encourages strong growth and healthy, rich, green foliage and continues to feed for up to 6 weeks.

Phosphate slowly and steadily releases to promote vigorous root growth.

Potassium promotes flower production and improves ripening of fruit and vegetables.

HOW TO USE

Use every time you are preparing the soil for planting. Sprinkle evenly over the soil and mix in well. Water well after sowing seeds and planting out, especially in dry weather.

During the growing season: sprinkle evenly over the soil around established plants. Gently work it into the soil surface with a hand fork without disturbing the plant's roots and water in thoroughly.

For established plants and plants in containers: apply every 4 – 6 weeks during the growing season from March to the end of August, when plants are actively growing.

Soil preparation and new plants: apply every time you are preparing new beds and borders, 7-10 days before sowing or planting. Water in well afterwards.

WHEN TO USE

Levington Chicken Manure Natural Multi Purpose Plant Food can be applied prior to sowing or planting and as needed throughout the growing season.

PELLET PERFECTION

Low dust and easy to use pellets which deliver the perfect balance of NPK.

APPLICATION RATE

General flowers and vegetables
100g per m²

Fast growing plants
200g per m²

Trees, shrubs, roses and hedges
300g per m²

Apply every 4 - 6 weeks during the growing season.

COVERAGE: 30M² - 90M²

SAFETY AND ADVICE

- Only use where there is a recognised need to feed plants.
- Keep away from plant leaves and stems.
- Do not exceed the appropriate application rate. Increasing the dosage may result in damage to your plants.
- Store in the original container in a cool, dry, frost-free place away from children, pets and foodstuffs.
- Always wear gloves when gardening
- Wash hands and exposed skin after use.
- Do not eat or smoke while applying the product.

ALWAYS USE GLOVES
