FREESTANDING ELECTRIC STOVE

MCFSTV12E

Microstove

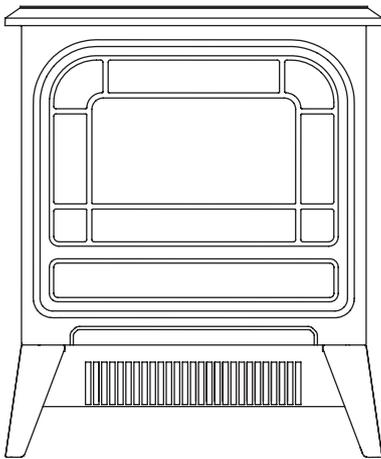

The Dimplex Microstove offers year-round cosiness with sleek styling and comes with the realistic Optiflame effect. With its ultra-compact design and cast effect black finish the Dimplex Microstove brings a warm and welcoming glow to any cold corner around your home.

The Microstove features the Optiflame effect along with a 1.2kW heater with 2 heat settings and flame only function for an inviting and cosy glow, the cutting edge thermostatic controls employed within this fire mean you can set it to produce heat when the room drops to a certain temperature, helping to maintain comfort in your home.

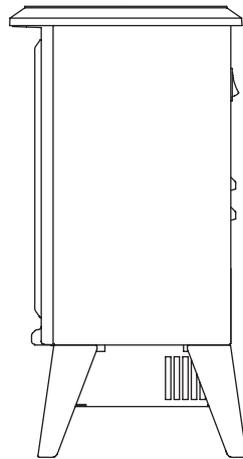

This elegant electric stove fits in with any interior and is ideal for heating small sized rooms providing a welcoming ambience at any time of year.
