SPIRIT

Thank you for choosing a Spirit watch. Please follow the care instructions below.

Although your watch is shock resistant it should be handled with care, please do not wear your watch whilst carrying out rough work. Plating can be damaged by cosmetics, perfumes etc, so please ensure they do not come into direct contact with your watch. The life of your watch battery should be approximately 18 months. Battery changes should only ever be carried out by a qualified technician.

To set your watch: Pull the crown out gently and turn it clockwise. When the correct time is reached simply push the crown back into place. For models with a date, pull the crown out one click and turn the crown clockwise to adjust the date. Pull the crown out one click further to adjust the time.
Ensure the crown is fully pushed in before exposure to water, the crown or any buttons on the watch must not be operated when wet.

Your watch is guaranteed for 12 months from the date of purchase. In the unlikely event your watch should develop a fault during this time please send it via tracked post to:
PH Services, Precision House, Starley Way, Solihull, B37 7GN

Please include a cheque for £4.95 payable to PH services to cover return postage and insurance for loss or damage in transit. Please also enclose the original receipt or proof of purchase, your details and a description of the fault.
