Smarter home office printing

Designed for EcoPro subscription

Our EcoPro ink subscription makes printing hassle-free. You'll never have to worry about having enough ink again, as your EcoPro printer automatically detects when your printer is running low and orders the required ink directly to your door, so you are always fully stocked and ready to print.

Why EcoPro?

Sign up to EcoPro today and receive a FREE trial ink subscription, warranty which covers repairs to your Brother printer for added peace of mind, ongoing first-class support and the flexibility to cancel your subscription at any time.

Subscription benefits:

Save on ink costs

Warranty cover

Automatic ink delivery

With EcoPro you can choose a plan which matches the amount you print. So whether you print 50 or 500 pages per month, there's a subscription plan for you. Not sure how many pages you print? No problem. Select whichever plan you think is closest to your print usage and any pages you don't use can be carried over to next month, up to a maximum of two months' worth of your subscription printing.

Subscription
FREE TRIAL
included

Activate your subscription

For an effortless print and scan experience download the Brother Mobile Connect app today and start your free trial. Activating your FREE EcoPro trial couldn't be easier. Simply download the Brother Mobile Connect app, add your printer, select your preferred subscription plan and you're ready to print. Fast and hassle-free.

Recycling

With EcoPro, you'll get a free postage label with every ink cartridge you receive, so you can return them to us free of charge, giving you the added piece of mind that nothing goes to landfill.

Brother has a zero waste to landfill policy for empty cartridges returned and for every Brother supply returned to us we donate to our rainforest-saving charity partner, Cool Earth.

Warranty

Additionally, the warranty included with your EcoPro subscription means that should your printer ever need fixing, you can send it to us and we will repair or refurbish your device using recycled parts, and return it to you, good as new.

Better for you. Better for the planet. A better way to print.

All-in-one wireless colour inkjet printer

The MFC-J4340DWE is a powerful device offering high quality print, copy, scan and fax functionality. Enjoy a range of connectivity options and increase productivity with the 20 sheet automatic document feeder (ADF). This truly multifunctional device is housed in a compact, robust shell - it really is the perfect home office business partner.

MFC-J4340DWE

Key Features:

- **Wireless connectivity**
- **Mobile compatible – download app: ‘Brother Mobile Connect’**
- **20 sheet ADF**
- **Automatic 2-sided printing**
- **Enclosed paper tray holding up to 150 sheets**
- **Print speeds of up to 20 images per minute (ipm)**
- **4.5cm colour LCD**

Your home office business partner

There are many ways this robust, yet stylish machine will make your home-working life easier. Firstly, with large yield cartridges enabling you to print more pages, you don't need to replenish the ink as often - therefore saving you money. Additionally, with several connectivity options you don't need to be at your desk to send a print job, or even check ink levels. With the 20 sheet ADF, you can leave your multi-page document to scan while you focus on other tasks. On top of this, with fast print speeds and an easy to navigate colour LCD, you're sure to work faster and better.

Work connected, always

You don't just need to be sat at your desk, or even near the printer to use the MFC-J4340DWE. With the range of connectivity options available, you can print anywhere in your house or office – and even from your mobile phone.

User friendly device, for all

With its 4.5cm colour LCD and simple-to-use navigation buttons, finding your way around the MFCJ4340DWE will be simple for everyone. Even the sophisticated features such as ADF feeding is simply activated at the touch of a button. This device is designed to improve your working processes and enable improved productivity.

4. Windows Only
5. Based on ISO/IEC 29183
6. Based on ISO/IEC 24735
7. Optional Download
8. Approx declared yield value in accordance with ISO/IEC 24711
9. Maximum number of printed pages per month can be used to compare designed durability between like Brother products.
For maximum printer life, it is best to choose a printer with a duty cycle that far exceeds your print requirements
10. Based on ISO/IEC17991
11. The first time you install a set of ink cartridges the machine will use an amount of ink to fill the delivery tubes for high quality printouts.
This process will only happen once. The amount of ink remaining⁸ will be a minimum of 350 pages BK and 350 pages CMY.

Working with you for a better environment

At Brother, our green initiative is simple. We strive to take responsibility, act respectfully and try to make a positive difference to help build a society where sustainable development can be achieved. We call this approach Brother Earth.
