## Sync Accessories

# Yale Sync Smart Alarm Accessories

The Sync Smart Home Alarm puts you firmly in control, giving you peace of mind that your home is secure and protected.

Check in from anywhere in the world and receive alerts and notifications when your alarm is triggered so you'll always be in the know through your smart phone. The handy geo-location feature reminds you to set the alarm when you're leaving home, giving you one less thing to worry about.

The Yale Alarm App now allows you to control your Sync Home Alarm, Indoor/Outdoor Cameras and Smart Lock\* in one place.

You can arm/disarm or part-arm your Smart Alarm with just your voice and with Philips Hue integration your lights around the home will flash red when the alarm sounds, giving an added visual deterrent. The alarm can also be controlled using the Yale Home app, key fob\*\* or keypad.

**In-app control & Real time notifications**

**Geo-location functionality reminds you to set the alarm when you're leaving home**

**No subscription or monthly fees**

- Total peace of mind: get real-time notifications and geo-location reminders
- Arm, disarm or part-arm: Secure your home even when you are in with zone control
- 200m Wireless Range: protect your garage and outbuildings too
- Smarter together: integrate with lights and voice assistants
- Simple connectivity: smartphone controlled from anywhere, any time
- No subscription or monthly fees
- Expandable up to 40 accessories

**Trusted every day**

\*Only available for Conexis L1 and Keyless Connected & requires Sync Alarm Lock Module.  
\*\*sold separately.
