Invisible 1300 DPI engine

Up to 12 months battery life

Multi-mode Wireless Optical Combo Set

9300M

This stylish wireless set looks great on any desktop with its stylish, streamline design. The keyboard boasts an impressive 4.9 mm ultra-slim design and anodized aluminum housing. The Fn multimedia keys offer quick access to all important multimedia functions. While the keyboard is very compact, it also has full-size keys, which makes typing much more comfortable. The mouse boasts an ergonomic design suitable for left- and right-handed use as well

as a 1300 DPI invisible tracking engine. 9300M is not only advanced in design but also in connectivity. The desktop set transmits via Rapoo's latest multi-mode wireless connection – using reliable 2.4 GHz wireless transmission, Bluetooth 3.0 or Bluetooth 4.0 (Smart) – enabling you to connect simultaneously to multiple devices and switch (pair automatically) among them.

► Multi-mode wireless connection

Interference-free wireless options: The smart switch between Bluetooth 3.0, 4.0 and 2.4 GHz ensures stable wireless transmission with up to 10 meters range and 360° coverage. You can still use your keyboard regardless of USB port shortage or the loss of receiver.

► Instant switch among multiple connected devices in one click (Automatic pairing)

Connect to all your devices: 9300M automatically pairs the working device. It simultaneously connects to multiple devices, and easily switches among them in a click of a button. It simplifies activities across devices and meets multi-tasking requirements.

► Ultra-slim 4.9 mm design with aluminum alloy base

Slimline and rugged: The award-winning ultra-slim 4.9 mm design makes this keyboard a real eye-catcher while the anodized aluminum housing offers stability and durability.
