If you need help or have damaged or missing parts, call the Customer Helpline: 0845 6400800

Safety and Care Advice

Important – Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the following pages.

- Remove all fittings from the plastic bags and separate them into their groups.

- Keep children and animals away from the work area, small parts could choke if swallowed.

- Make sure you have enough space to layout the parts before starting.

- During assembly do not stand or put weight on the product, this could cause damage.

- Assemble the item as close to its final position (in the same room) as possible.

- Assemble on a soft level surface to avoid damaging the unit or your floor.

- Parts of the assembly will be easier with 2 people.

- To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

- From time to time check that there are no loose screws on this unit.

- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts

- Regularly check and ensure that all bolts and fittings are tightened properly.

Note: if required the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.

Components - Panels

If you have damaged or missing components, call the
Customer Helpline: 0845 6400800

Please check you have all the panels listed below

1 Left side (90 x 30.5cm)

2 Right side (90 x 30.5cm)

3 Shelf (39.5 x 14.6cm)

4 Shelf (39.5 x 18.8cm)

5 Shelf (39.5 x 23.5cm)

6 Shelf (39.5 x 28.2cm)

Components - Fittings

Please check you have all the fittings listed below

Note: The quantities below are the correct amount to complete the assembly. In some cases more fittings may be supplied than are required.

A  40mm Screw x 16	B  Metal dowel x 6	C  Screw Covers x 16
--	--	--

Tools required

Phillips screwdriver
(medium & large)

Ruler - Use this ruler to help correctly identify the screws

The screws length is measured from the head to the point (30mm screw shown).

Assembly Instructions

Step 1

1. The following steps will be easier if the unit is assembled on its back. Connect Shelf [3] to left panel [1] with 2 x 40mm screw (A) using a Phillips Screwdriver

Note: Do not fully tighten any screws until the whole unit is assembled.

2. Insert 3 x Metal dowels (B) into the ends of shelves [4] [5] and [6]. These will then locate into adjacent holes in Panel [1]

3. Please now connect together with 6 x 40mm screws (A) using a Phillips Screwdriver

Step 2

1. Keeping the unit lay on its back, repeat the above step to attach Right panel [2] to the structure.

2. Once complete, tighten all screws using a Phillips Screwdriver and bring the unit to an upright position.

Step 3

1. To complete cover all screws with 16 x screw covers (C) as shown

Assembly Complete
