

POPMOUNT CAR VENT

Get your phone out of your hands and secure it while driving.

FEATURES

- Designed specifically for PopSockets PopGrips
- A car mount designed to fit most car vents. Easily clips into horizontal, vertical, and angled air vents
- Not all vents are created equal, so the mount fork can be rotated to accommodate a wider range of vent sizes
- Phone is viewable in both portrait and landscape mode
- Look, Ma! No hands. Talk or navigate hands-free
