## How To Pair Your CZ Smart Hybrid

Pairing your CZ Smart with your Android or IOS phone is easy. Follow these simple steps and you will be connected.

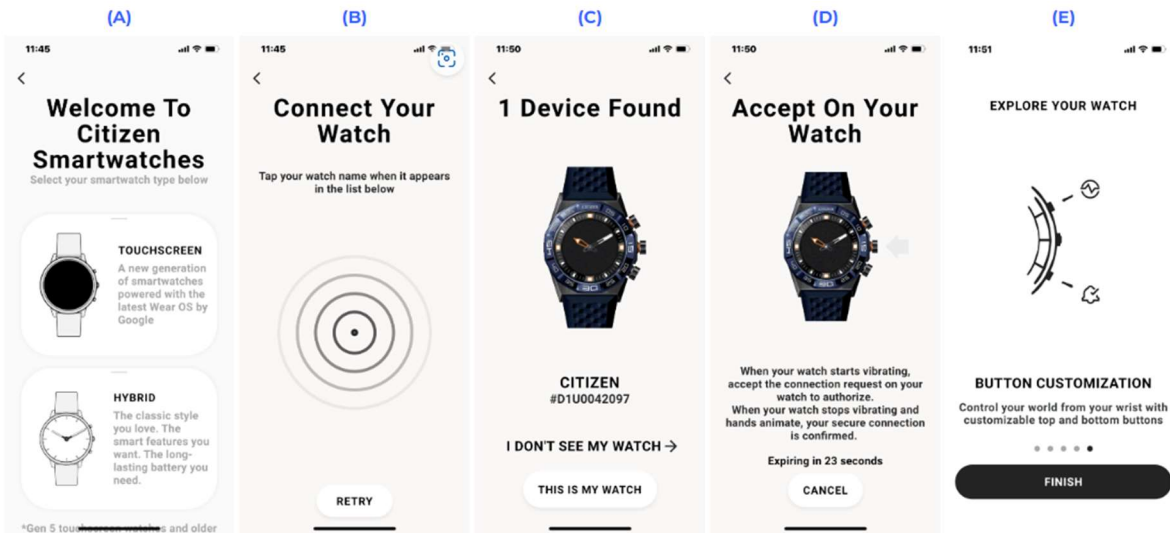

**STEP 1** — Download and install the **CITIZEN CONNECTED** app via Apple App Store or Google Play Store.

**STEP 2** — Follow the apps instructions to create a user account.

**STEP 3** — Once you enter the pairing screen **(A)**, press **Hybrid** on the phone and press the center crown of the watch, once your watch is found, press **This Is My Watch (C)**.

**STEP 4** — Follow on-screen instruction to complete the pairing.

**STEP 5** — Once pairing is complete **(D)**, click on finish to start using the watch **(E)**.

## How To Customise Your Dial

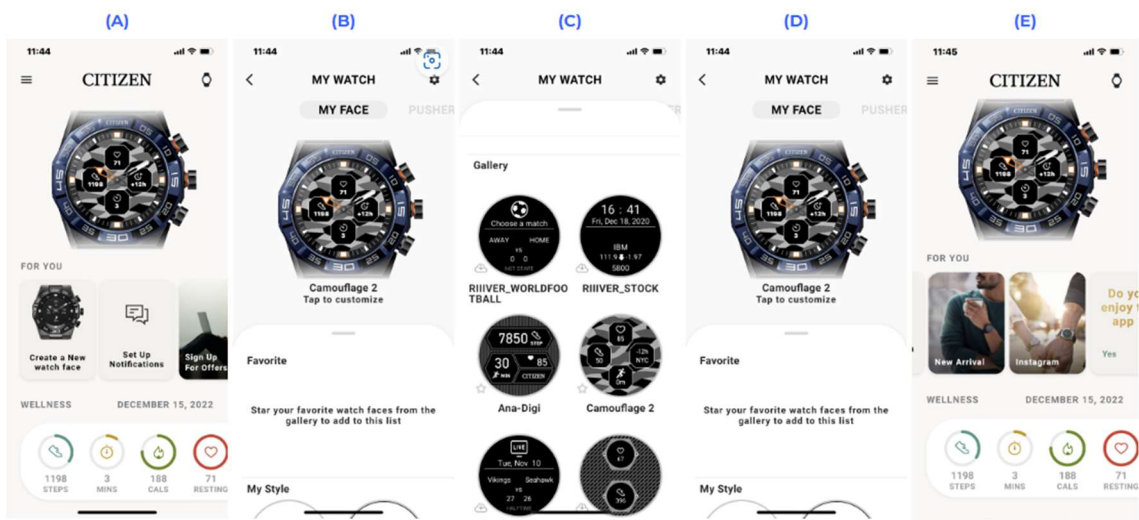

**STEP 1** — Open the Citizen Connected app and be sure the watch is paired with the phone.

**STEP 2** — Tap on the watch image on the top of the screen (A).

**STEP 3** — Slide from the bottom of the screen to the top (B) to reveal the Gallery (C).

**STEP 4** — In the Gallery (C), Tap to Cloud icons of the watch design you like to select. Tap again to Apply.

**STEP 5** — Slide the gallery down to exit the gallery (D). You will see your selected watch face applied to the watch image (E).
