

#### Evenly cooked results, on any level

Get perfectly even oven results with Multilevel cooking. An additional heating ring promises even cooking across with up to two fully loaded oven trays on all levels. Which is great for cooking more favourite dishes at the same time.

---

This large-capacity oven is specially designed to cook several different dishes at once, taking all the stress out of preparing a meal.

### Product Benefits & Features

#### Multilevel Cooking. Cook more at the same time

With Multilevel Cooking, the additional heating ring ensures your dishes are perfectly cooked even when loaded with two trays at the same time.

- Hot hob indicator
- Thermaflow® fan oven
- Top cavity features:
- Main oven features:
- Top heat
- Cooker features:
- Catalytic liners in both ovens
- Interior light in main oven
- Triple glazed doors
- Top oven: A energy rating

#### Catalytic Cleaning – a spotless oven with only a wipe

Catalytic Cleaning prevents dirt and grease from building up in the oven. This self-cleaning technology automatically activates when the temperature reaches 250°C and removes cooking residue. No scrubbing needed.

#### The Radiant Hob. Fast and efficient.

The Radiant Hob is fast and easy-to-clean the ceramic zones heat quickly and accurately for fuss-free cooking.

#### The oven that's easier and more convenient to clean!

The moveable shelf supports make it easier than ever to give your oven a thorough clean, even in those tricky corners, in less time and with less effort.

#### Product Specification
