About Argos Breakdown Care

Below is key information you need to know when purchasing Argos Breakdown Care Insurance. More detailed information, including our complaints procedure, can be found in the terms and conditions.

Your statutory rights

Your statutory rights will not be affected when you buy a policy. These include the right to claim a refund, repair, or replacement for up to six years (in Scotland it's up to five years after you became aware, or could with reasonable diligence have become aware there was a problem) if your electrical goods were not of satisfactory quality or fit for purpose when they were sold to you. After the first six months, you will have to prove that the goods had a fault when sold to you. For further information about your statutory rights contact the Citizens Advice Bureau: www.citizensadvice.org.uk or 03444 111 444.

Other providers

Policies may be available from other providers. You may also be covered under your household contents insurance or other policies that you may hold.

When can I buy a policy?

You can buy a policy up to 45 days after buying your product. Any terms or offers, such as discounts and vouchers that are linked to the purchase of the policy will also remain available for 45 days from the date you purchase your product.

When does the policy start?

The policy starts on the purchase date of your product, or if your product is a large item and Argos deliver it directly themselves, on the scheduled delivery date of your product.

When does the policy end?

Your policy will end after the duration specified on your receipt (unless ended in accordance with our terms and conditions). If we give you a replacement or vouchers for a replacement the policy will end immediately and no premium will be refunded.

Cancellation rights

Your policy can be cancelled at any time. You will receive a full refund if you cancel within the 45 day cooling off period. After these 45 days, if you cancel your policy we will refund the premium paid for the remaining full months of your policy.

Meeting the obligations under your policy

Domestic & General Insurance PLC is covered by the Financial Services Compensation Scheme. If we cannot meet our obligations to you under the policy, compensation may be available to cover these obligations. The compensation provides for 90% of any claim with no upper limit on the amount of the claim.

On expiry of the initial period the renewal premium will be deducted on a monthly basis unless cancelled. In each case the first collection amount may be of a slightly different amount and on a different date of the month than subsequent collections.

Policy terms and conditions

It is important for your benefit and protection that you read these terms and conditions. These and your certificate, and any changes we notify you about, form your agreement with us. We have not given you a personal recommendation as to whether this policy is suitable for your needs.

Definitions

policy: this contract of insurance.

product(s): the appliance(s), as shown on your certificate.

we/us/our: Domestic & General Insurance PLC, the provider of the policy.

you/your: the customer.

Is this policy for you?

You must be at least 18 years old and resident in the United Kingdom to be eligible. Your product must:

- be less than 45 days old and in good working order when this policy starts; and
- have been bought from Argos.

Important conditions

All information you give must be true, factual and not misleading when you take out the policy and when you make a claim.

Your product must:

- have been installed (if appropriate), maintained and used in accordance with the manufacturer's instructions;
- be owned by you and not used for business purposes;
- be used in a private home, solely occupied by a single household (at the address you gave to us); and
- (if it is able to store data or images, e.g. laptops or PCs) not contain any content that may be considered to be illegal, and if we find any content we consider to be illegal, we reserve the right to inform the relevant authorities.

Your responsibilities

You must arrange any work required to make your product accessible, compliant with all relevant safety standards and safe to work on (as determined by our repairer). Where you have made a claim, you must also notify us if such work is required, let us know when it has been completed and provide us with the relevant certification (if applicable). We won't consider your claim until you have fulfilled these obligations.

What this policy covers

Breakdown (out of guarantee)

If your product suffers a mechanical or electrical breakdown after the end of the manufacturer's parts and labour guarantee period, we will (at our option) do one of the following: arrange a repair, arrange a replacement or cover the cost of replacing your product in vouchers. Some policies do not include breakdown cover as the policy ends before the end of the manufacturer's guarantee.

Accidental damage

If your product suffers accidental damage (including water damage) at any time (i.e. physical damage as a result of a sudden cause that means that the product is no longer in good working order), we will (at our option) do one of the following: arrange a repair, arrange a replacement or cover the cost of replacing your product in vouchers.

Territorial limits

Your product is covered for claims that occur anywhere in the world; however, any repairs or replacements under this policy will only be carried out within the United Kingdom.

How to make a claim

To make a claim please contact us as soon as possible by telephoning 0800 497 0653 or online at www.argosproductcare.co.uk

Limits of the policy

There is no limit to the number of repairs you can request, unless your policy ends, for example, following a replacement of your product (see 'What happens if your product is replaced?' below).

Repairs

Only repairers approved by us are authorised to carry out repairs under this policy, unless we agree otherwise in advance. Repairs will be carried out within the repairer's normal working hours (which are at least 9am to 5pm, Monday to Friday, except public holidays) on a date agreed with you. Please have your policy documentation to hand when the repairer arrives. If your product breaks down, you must take reasonable steps to limit damage, e.g. stop using it if this is likely to cause further damage.

If we approve a repair but are unable to find an approved repairer, we'll permit you to use your chosen repairer. You will have to pay them and claim the cost back from us. Please keep a copy of your invoice to send to us. If we permit you to use your chosen repairer and the proposed repair is estimated to cost more than the repair authority limit £125, then you must ring the repair authority line on 0333 000 0022 for an authority number before work starts.

Replacements

1. For accepted claims, we will either arrange for you to receive a replacement (of the same or similar make and technical specification) or give you Argos vouchers that will be for either Argos' current retail price of a replacement product of the same or similar make and technical specification or will be product specific. If you receive a product specific voucher, this means you will only be able to purchase the product detailed on the voucher.
2. All vouchers will be valid for 12 months from the date of issue. Product specific voucher settlements will be sent by SMS to your phone, or if this is not available, to the last postal address you gave us. Other voucher settlements will be sent to the last postal address you gave us. If vouchers are not available we may provide a cash equivalent.

Product disposal and delivery, installation and other costs

1. If we arrange a replacement or give you vouchers for a replacement, we will pay the supplier's delivery charge.
2. If the product is taken or sent away from your home for repair but is then replaced, the original product will become our property and we will dispose of it. If your product remains in your home, you will be responsible for disposing of it at your own cost.
3. In all cases you will be responsible for installing the new appliance and paying any related costs.

What happens if your product is replaced?

If we decide to replace your product (or to pay a settlement towards a replacement), your policy will end immediately and any unpaid premium for the current policy period will become due. No premium paid will be refunded. For settlements we will deduct any premium outstanding for the duration of your policy from the settlement. If the manufacturer replaces your product under a manufacturer's guarantee, the policy will be cancelled and premium paid will be refunded to you.

Exclusions

The following are excluded from the policy, and we will not pay for claims which relate to or arise from:

Third party issues

- Damage during delivery, installation or transportation of the product by a third party not under our instruction.
- Any breakdown during any manufacturer's, supplier's or repairer's guarantee or warranty on a product.
- Replacement or recall of the product (or any part) by a supplier or the manufacturer.

Unauthorised repairs or maintenance

- Repairs, maintenance work, or use of spare parts, where not approved by us.
- Routine maintenance, cleaning, servicing and re-gassing.
- Your failure to follow the manufacturer's instructions, including with respect to maintenance, use and installation.

Modifications

- Modification or work on a product to comply with legislation or to make it safely accessible.

Other forms of damage or loss

- Costs or loss arising from not being able to use your product (e.g. hiring a replacement TV), or incidental costs caused by breakdown or repair (e.g. costs to remove or reinstate built-in fitted equipment).
- Damage to any other property or possessions, unless it is our fault.
- Cosmetic damage such as damage to paintwork, dents or scratches.
- Damage to ceramic or glass surfaces (unless caused by an accident protected by the policy).
- Any loss, damage or impairment to functionality caused by: theft, attempted theft, neglect, deliberate damage or damage caused by animals, plants or trees.
- Any loss, damage or impairment to functionality caused by: earthquake, flood, lightning, fire, wind, humidity, weather conditions, salt spray, storm or other natural events or catastrophes, abnormally high or low temperatures, plumbing problems, corrosion, chemical exposure, radiation, explosion, sabotage, terrorism, insurrection, revolution, war, riot, armed conflict, civil commotion, rebellion, man-made events or catastrophes or technological hazards (such as computer viruses or date-change faults).

Contents of your product

- Data loss or corruption, installing, modifying and upgrading software, the resolution of any software interface problems.

Accessories and consumables

- The cost of replacing any consumables (such as external fuses, batteries, rechargeable batteries, power cells, light bulbs changeable by the user, fluorescent tubes and related starter components, filters, vacuum cleaner bags, printer toner or ink cartridges, printer ribbons or fuel).
- The cost of replacing any accessories such as lawnmower belts, attachments, cables and cable joints, plugs, light covers, grills, removable parts, glass and enamel parts, catalytic panels, external piping, rain covers, starter connections and straps, 3D glasses, brushes and tubes, or audio pick-up systems including scanners.

Special exclusions

- Marks on the screen, burned screens or pixel failure where the number or location of pixels does not exceed the manufacturer's acceptable limit;
- Satellite or cable systems or gaining access to cables within the fabric of a building or wall;
- The safe return of any game, disc or memory stick lodged inside the product at time of fault;
- Fuel lines to the product and the flue system from the product;
- The loss of safety keys on fitness equipment;
- Scale damage.

Paying your premium

- If you have been provided with a policy at no charge, this "Paying your premium" section does not apply.
- If you pay the premium (inclusive of all applicable taxes) in installments, you must pay it by the agreed payment method. The agreed payment method will be confirmed in your certificate of insurance. You must make regular payments in accordance with the 'Payments schedule' set out in your policy documentation. If we are unable to collect a payment by the agreed payment method may attempt to request payment again unless you advise us otherwise.
- The collection of the first payment may need to be taken on a different date from your regular selected payment date. For example, for Direct Debit we will collect the payment for the first month of the policy approximately two to four weeks after the start date. Payments for all subsequent months will be collected monthly on your selected payment date (or the next working

day if a weekend or bank holiday). This means that the second payment may be collected approximately two weeks after the first payment. Please check the 'Payments schedule' in your policy documentation for more information.

- When you have paid the premium monthly by Direct Debit for the number of consecutive months shown in the 'Payments schedule', if the initial policy period has not yet expired, no further payment will be taken for the remainder of the initial policy period, unless and until your policy renews for a further period (see 'Duration and renewal of your policy' below).
- If instead you choose to pay all the premium for the period in advance in one payment, you must pay this amount (inclusive of all applicable taxes) before the policy will start.
- We may use a collection agency to recover any amount owing to us. If you do not pay for your policy on time, it will be suspended from the due date. Any requests for repairs past this date will not be considered for approval unless payment is received.
- Where you are paying your premium in advance in one payment, Argos will hold your premium as agent for us and use it to pay refunds, if you cancel your policy in the policy cooling off period. Any premium you pay is taken to be received by us as soon as it has been paid by you.

Duration and renewal of your policy

The policy period begins on the purchase date of your product, or if your product is a large item and Argos deliver it directly themselves, on the scheduled delivery date of your product. Note, if you collect your product from a store, the policy begins on the purchase date of your product, not the date of collection. Its initial period lasts for the number of years specified on your receipt or your certificate of insurance (unless cancelled or brought to an end in accordance with these terms and conditions).

If you purchased this policy online or over the phone and you cancel the contract with Argos to purchase the product in its cooling off period, then this policy will be automatically cancelled with immediate effect and you will receive a full refund of any premium paid. Please refer to your contract with Argos for details of the cooling off period for your product purchase. Where your Argos contract is brought to an end at any other time, this policy will remain in place unless you cancel it.

Before your policy ends, we will contact you by post, telephone, email or SMS about renewing your protection. You will be informed of the new amount to pay. The premium payable may increase at renewal. You will need to make payment for your policy to continue. You should review this cover periodically to ensure it remains adequate and meets your needs.

A cooling off period (lasting 14 days from renewal of the policy or the day on which you receive your renewal documentation, whichever is the later) applies at the renewal of your policy. We reserve the right not to offer you a renewal on your policy.

If you were provided with a policy at no charge, before the expiry of the policy we will write to you about continuing cover with a new policy. The notice will show the amount payable and how to pay.

Your right to cancel

You will receive a full refund if you cancel the policy within the forty five (45) day period from receipt of your documentation or from the policy start date, whichever is later (the 'policy cooling off period'). After the cooling off period – if you cancel your policy after the cooling off period, then we'll refund the premium paid by you for the remaining full months of your policy. If you pay for your policy by Direct Debit, you will only receive a refund if you have already paid for any future months of your policy.

If your policy automatically ends or is cancelled by us, these rights do not apply (see 'Our right to cancel your policy or bring it to an end' below).

If you were provided with a policy at no charge, you will not receive any refunds as no money has been paid by you to us.

If you are paying by Direct Debit and choose to cancel the policy, please inform us before telling your bank to cancel your Direct Debit Instruction.

If you wish to cancel your policy during the first 45 days and you have paid for it in advance in one payment (or were provided the policy at no charge), please return to the store with your documentation and receipt or call Argos on 0345 640 2020 (calls cost the basic rate per minute plus your phone company's access charge). Otherwise, if you wish to cancel your policy, contact us on 0333 000 9737. You can also cancel your policy by using the cancellation form on our website www.domesticandgeneral.com or by writing to us at Domestic & General Insurance PLC, Leicester House, 17 Leicester Street, Bedworth, Warwickshire CV12 8JP. You may need to send in your documentation and receipt.

Our right to cancel your policy or bring it to an end

If we have reasonable grounds to believe that you have (or anyone acting for you has) claimed under this policy knowing the claim to be dishonest, exaggerated or fraudulent then we may cancel the policy immediately without any refund of premium or excess (see 'Fraudulent activity' below).

We may cancel this policy as well as any other policies you have with us where there is a valid reason for doing so by giving you at least 7 days' written notice and you will receive a pro rata refund of the premium paid for the remaining unexpired days of your policy. Valid reasons include but are not limited to the following:

- where you fail to comply with certain conditions and obligations (see 'Important conditions' and 'Your responsibilities' above);
- where you fail to pay for the policy (see 'Paying your premiums' above);
- where we have reasonable grounds to believe you have (or anyone acting for you has) engaged in fraudulent activity against us or our service providers and/or provided us with false information with respect to another policy you hold or have held with us (see 'Fraudulent activity' below); or;
- where you have used threatening or abusive behavior or language towards our staff or suppliers.

These rights include the right to claim for a refund, repair, or replacement for up to six years (in Scotland it's up to five years after you become aware, or could with reasonable diligence have become aware there was a problem) if your electrical goods were not of satisfactory quality or fit for their purpose when they were sold to you. After the first six months you will have to prove that the goods had a fault when sold to you and the longer it takes for the fault to appear the more difficult this will be. For further information about your statutory rights contact the Citizens Advice Bureau: www.adviceguide.org.uk or 03454 04 05 06.

Some household contents insurance policies offer cover for accidental damage, fire or theft. However, you may find that a claim may affect the cost of subsequent insurance premiums.

When can you buy a policy?
