

## PRODUCT FICHE

## Refrigerator 743540 RIL391D4AWEUK

### USP :

|  |  |
|--|--|
| IonAir with DynamiCooling                        | Yes                                    |
| FreshZone with Moisture Control                  | Moisture Fresh Crisper                 |
| Mechanic control                                 | Yes                                    |
| Inverter compressor                              | Yes                                    |
| Door bottle container                            | 2 single containers with fixed stopper |
| Illuminated interior of refrigerator compartment | LED strip on the ceiling               |
| Door hinge                                       | Concealed Hinge                        |
| Refrigerant                                      | R600A                                  |
| Fresh Crisper                                    | Yes                                    |
| Bottle rack                                      | Wine Rack                              |
| MultiAdjust shelves                              | Yes                                    |

### Basic information :

|  |                        |
|--|------------------------|
| Number of stars                              | Yes                    |
| Possibility of remote update for maintenance | No                     |
| Basic color of product                       | Yes                    |
| Product name / Family                        | Refrigerator           |
| Brand  | HISENSE                |
| Commercial code                              | RIL391D4AWEUK          |
| Internal article number                      | 743540                 |
| EAN code                                     | 3838782780424          |
| Product category                             | Refrigerator           |
| Installation type                            | N/A                    |
| Type of control                              | Mechanical             |
| Construction type                            | Yes                    |
| Main colour of the product                   | BK070; White           |
| Door panel options                           | Possible but accessory |
| Connection Rating                            | 75 W                   |
| Current                                      | 13                     |
| Voltage                                      | 220-240 V              |
| Frequency                                    | 50 Hz                  |
| Marks of conformity                          | UKCA,CE                |
| Number of compressors                        | 1                      |
| Length of electrical supply cord             | 240 cm                 |
| Plug type                                    | GB                     |
| Total volume                                 | 301 l                  |
| Capacity in 0.75l (Bordeaux bottles)         | 0                      |
| Number of independent cooling systems        | 1                      |
| Height                                       | 1772 mm                |
| Width  | 540 mm                 |
| Depth  | 545 mm                 |
| Door hinge                                   | Right reversible       |
| Adjustable feet                              | No                     |
| Height of the packed product                 | 1835 mm                |
| Width of the packed product                  | 585 mm                 |
| Depth of the packed product                  | 650 mm                 |
| Minimum niche height                         | 1775 mm                |
| Maximum niche height                         | 1780 mm                |
| Minimum niche width                          | 560 mm                 |
| Maximum niche width                          | 570 mm                 |
| Niche depth                                  | 560 mm                 |
| Net weight                                   | 52,5 kg                |
| Product type                                 | One-door               |
| Gross weight                                 | 54,5 kg                |
| Color / Material body                        | Steel                  |
| Color / Material door                        | Steel                  |

**Features :**

|   |   |
|---|---|
| Interior colour   | BK031; tinted bright grey-green, glossy |
| Short description of the product  | HI3128RMB - RIL391D4AWEUK - RL_ESSL     |
| Energy Smart appliance, able to optimise consumption pattern (2017/1369/EU) | No                                      |
| Eco label   | No                                      |
| Interior light  | Yes                                     |
| Water intake  | N/A                                     |
| Defrost process fridge section  | Automatic                               |
| Fast cooling  | No                                      |
| Fast freezing   | N/A                                     |
| Door opened indicator freezer   | No                                      |
| Temperature setting independent of external temp.                           | No                                      |
| Temperature adjustable freezer  | N/A                                     |
| Freezer section with thaw water drainage system                             | No                                      |
| Interior ventilator fridge section  | Yes                                     |
| Cover door installation system  | Slide-in mounting                       |
| Number drawers / baskets in the freezer                                     | 0                                       |
| Number of freezing compartments with doors / interior doors                 | 0                                       |
| Automatic motor-driven ice-maker  | No                                      |
| Bottle holder   | Yes                                     |
| Number of shelves in fridge compartment                                     | 7                                       |
| Number of Adjustable Shelves in fridge compartment                          | 6                                       |
| Material of the shelves   | Glass                                   |
| Thermometer fridge section  | None                                    |
| Thermometer freezer section   | None                                    |
| Number of temperature zones   | 2                                       |
| Temperature range   | X                                       |
| Vegetable compartment   | Yes                                     |
| Included accessories  | Egg rack - 1/6                          |
| Reversible door hinge   | Yes                                     |

**Energy label information / Performance :**

|   |                 |
|---|-----------------|
| Maximum ambient temperature               | 38 °C           |
| Minimum ambient temperature               | 10 °C           |
| Temperature rise time                     | 0,0 h           |
| Annual energy consumption (EU 2019/2016)  | 112,9 kWh/annum |
| Application of EU Energy Label Regulation | Yes             |
| Airborne acoustical noise emission class  | C               |
| Sum of volumes of frozen compartments     | 0 l             |
| Total volume                              | 301 l           |
| Energy Efficiency Index                   | 99,7            |
| Low-noise appliance                       | No              |
| QR code                                   | 1774409         |
| Only for wine storage appliance           | No              |
| Winter setting                            | No              |
| Other refrigerating appliance             | No              |
| Capability of wireless communication      | No              |
| Freezer compartment with 0*               | 0,0 l           |
