⚠ Safety and Care Advice

Product Details

White 4352709

IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY.

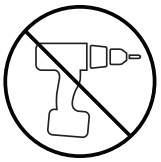

• Keep children and animals away from the work area, small parts could choke if swallowed.

• Make sure you have enough space to layout the parts before starting.

• This product has been constructed to be used in the domestic environment only and not for commercial purposes.

• Assemble the item as close to its final position (in the same room) as possible.

• Assemble on a soft level surface to avoid damaging the unit or your floor.

• We do not recommend the use of power drill/drivers for inserting screws as this could damage the unit. Only use hand screwdrivers.

• Parts of the assembly will be easier with 2 people.

• Dispose of all packaging carefully and responsibly.

Care and maintenance

• During assembly do not lay the glass directly onto hard or rough surfaces. We recommend laying the glass on a blanket or cardboard during assembly. You could even use the box.

• When lifting or moving the product , ask for someone to lend a hand, trying to move a product on your own can lead to accidents.

• Do not place very hot or very cold items, such as saucepans or barbecues,directly on the glass surface. Extreme temperature differences over small areas can damage glass.

• Do not use furniture if any parts are missing or broken. Contact your retailer immediately.

• Do not drag rough or heavy objects over the top of the glass.

• Do not strike the glass with hard or pointed items, or use the glass as a chopping surface.

• We recommend using place mats, coasters and table cloths to help protect against scratches and accidentally dropped items.

• Clean the glass regularly to make sure there are no grit on the top.

• Do not clean glass with washing powders or any other substances containing abrasives, since these substances can scratch glass.

• For tables that can be used outdoors, if your table has a parasol, make sure the edge of the parasol cut-out has a protector in place. In addition always use a weighted parasol base, and remove the parasol in windy conditions. Parasols can put pressure on the table top or even blow the table over in windy weather.

• For tables that can be used outdoors it is advised that the table is kept covered when not in use to protect the glass from the weather and accidental damage.

• Do not sit or stand upon the glass surface.

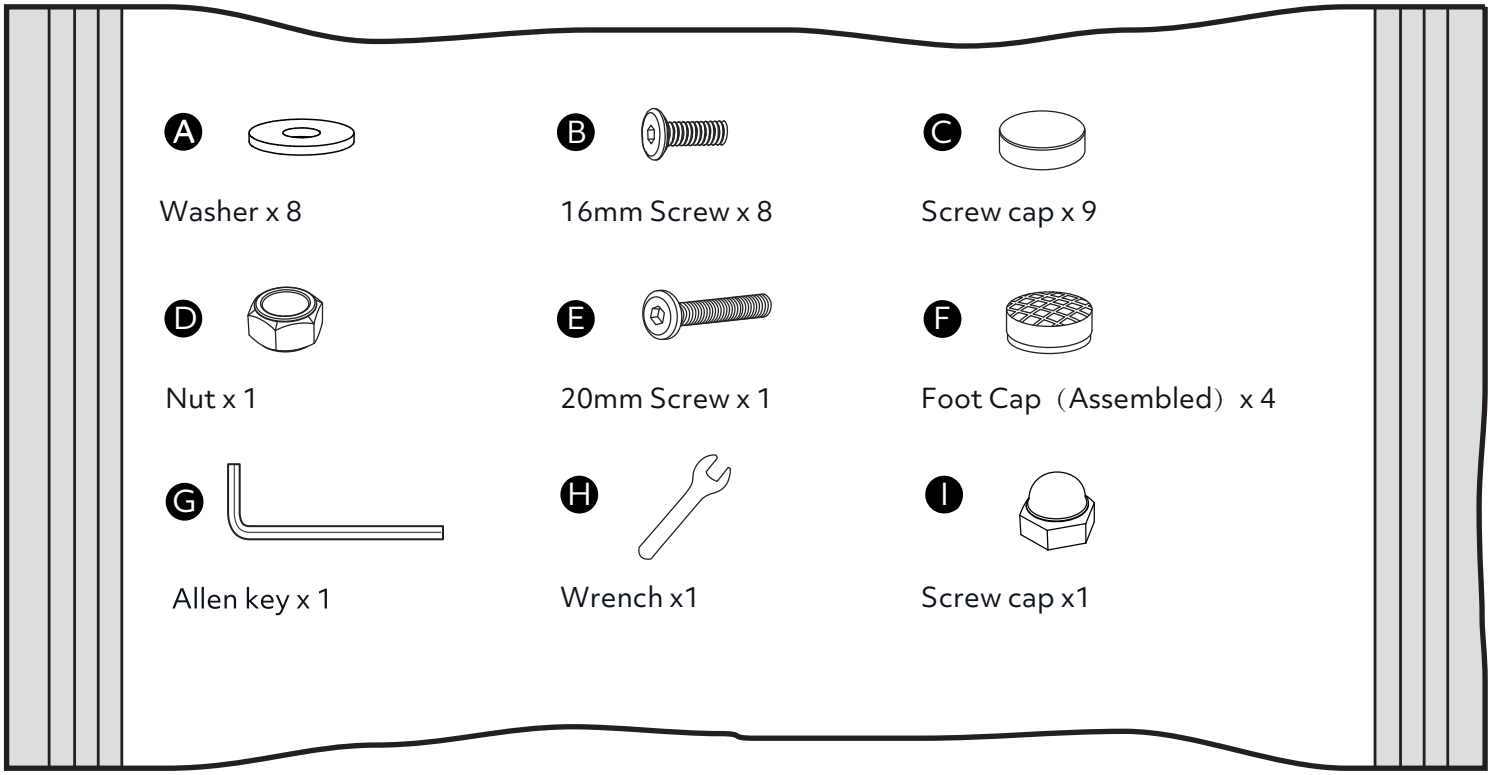

Additional Guidance

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.
- Regularly check and ensure that all bolts and fittings are tightend properly.
- The unit weight approximately 7 kgs
- Do not fully tighten all screws until assembly is completed.
- Make sure the assemble will be easier with 2 people.
- This product is compliant BS EN581-1; BS EN581-3.
