Mighty Fine

It all began in 2014 with a little shop in Camden Market perfecting our treats, every day.

Fast forward and today we still make our treats with that same small-batch love, using the finest ingredients for that mightily delicious moment. Each nugget of golden crunch is laced with blossom honey and smothered in fine Belgian chocolate, so they taste and sound just as good as they look. It's the perfect light and crispy treat!

We're proud to support our great British bees through a programme of Mighty Fine Deeds. Join in our adventures on socials We'd love to hear from you.

And don't forget, take time to be Mighty Fine!
