Long Description

187L/75L CAPACITY

This Russell Hobbs freestanding fridge-freezer is functional yet stylish, featuring a sleek white body and simple, clean design. The 70/30 split offers a generous 187L of fridge space, for up to 10 shopping bags of fresh produce and meals. The 75L freezer compartment is large enough for 4 bags of shopping, so there's room to stock up on ice cream and store those batch-cooked family favourites.

LOW FROST FREEZER

The Low Frost freezer compartment has been designed with easy upkeep in mind. This technology ensures there's a reduced level of frost build up, so you won't have to defrost your freezer as often as a traditional static model. Reducing the build-up of ice also means that your appliance won't have to work as hard to maintain the correct temperature, which can help cut your energy costs.

EASY TO USE

The easy to use electronic control makes setting the temperature

of your appliance quick and simple. It also has a handy Fast Cool function that can be activated when you need some extra cooling power. This fridge features four glass shelves and three door compartments, to offer you a wealth of storage options. There's even a built-in LED light to make midnight snacking that little bit easier in the dark! In addition, the freezer compartment features three drawers to help you stay organised.

ENERGY EFFICIENT

This Russell Hobbs fridge freezer is designed with efficiency in mind. With an F energy rating, you can trust it to keep costs and your carbon footprint to a minimum. Your fridge freezer is in action 24/7, so it's important to invest in one that's environmentally friendly, and can help save you money. Not only does this economical appliance help cut costs, but the freezer compartment offers you the space to stock up on purse-friendly frozen food.

SPECIAL FEATURES

This model comes with a reversible door to ensure it fits seamlessly into your kitchen or utility room. Plus, there are adjustable feet to ensure your freezer is stable on uneven surfaces. The Low Frost freezer compartment boasts a 4 star freezer rating, meaning it can operate at temperatures as low as -18°C and store certain food safely for up to 12 months.

2 YEAR GUARANTEE

For added peace of mind, this Russell Hobbs Low Frost Fridge Freezer comes with a 2 Year Guarantee upon registration. This way, in the unlikely event something goes wrong, you know we'll always be on hand to help.
