## Care and maintenance

---

- During assembly do not lay the glass directly onto hard or rough surfaces. We recommend laying the glass on a blanket or cardboard during assembly. You could even use the box.

- When lifting or moving the product, ask for someone to lend a hand, trying to move a product on your own can lead to accidents.

- Do not place very hot or very cold items, such as saucepans or barbecues, directly on the glass surface. Extreme temperature differences over small areas can damage glass.

- Do not use furniture if any parts are missing or broken. Contact your retailer immediately.

- Do not drag rough or heavy objects over the top of the glass.

- Do not strike the glass with hard or pointed items, or use the glass as a chopping surface.

- We recommend using place mats, coasters and table cloths to help protect against scratches and accidentally dropped items.

- Clean the glass regularly to make sure there are no grit on the top.

- Do not clean glass with washing powders or any other substances containing abrasives, since these substances can scratch glass.

- For tables that can be used outdoors, if your table has a parasol, make sure the edge of the parasol cut-out has a protector in place. In addition always use a weighted parasol base, and remove the parasol in windy conditions. Parasols can put pressure on the table top or even blow the table over in windy weather.

- For tables that can be used outdoors it is advised that the table is kept covered when not in use to protect the glass from the weather and accidental damage.

- Do not sit or stand upon the glass surface.
