# Safety and Care Advice

**Important** - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the following pages.

- Remove all fittings from the plastic bags and separate them into their groups.

- Keep children and animals away from the work area, small parts could choke if swallowed.

- Make sure you have enough space to layout the parts before starting.

- During assembly do not stand or put weight on the product, this could cause damage.

- Assemble the item as close to its final position (in the same room) as possible.

- Assemble on a soft level surface to avoid damaging the unit or your floor.

- Parts of the assembly will be easier with 2 people.

- We do not recommend the use of power drill/drivers **for inserting screws**, as this could damage the unit. Only use hand screwdrivers.

- Unit weight: 4.66 kgs.

- Maximum safe weight of user: 110kgs.

## Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.

- From time to time check that there are no loose screws on this unit.

- Do not stand on the product.

- Do not use this product as step ladder.

- This product should not be discarded with household

waste. Take to your local authority waste disposal centre.

## Handy Hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.

- Regularly check and ensure that all bolts and fittings are tightened properly.

# Components - Parts

If you have damaged or missing components, call the  
Customer Helpline: Argos = 0345 640 0800

Please check you have all the parts listed below

<p><b>D</b> </p> <p>Small allen key x 1</p>		

**Ruler** - Use this ruler to help correctly identify the screws

# Assembly Instructions

## Step 1

### Attaching legs

Place the seat **1** face down on a flat and protected surface.

While aligning the mount pin to slot hole in the seat, insert the legs **3** into holes on the seat as shown.

## Step 2

### Attaching stretcher

Position the stretcher **2** between the legs **3** as shown. Align holes and fix using bolts **A**.

**Important:**  
Tighten bolts using big allen key **C** but do not fully tighten at this stage.

# Assembly Instructions

## Step 3

### Securing the legs

Fix the legs **3** to the seat **1** using bolts **B**. Tighten bolts using small allen key **D**.

## Step 4

### Aligning legs

Carefully turn the bar stool upright and place on a flat surface.

Carefully make adjustments to the leg frame to ensure the legs are flat even on the floor. Then fully tighten bolts **A** on stretcher using allen key **C**.

**Assembly is complete.**
