Height - 125cm

Important - Please read these instructions fully before starting assembly

If you need help or have damaged or missing parts, call the **Customer Helpline: 03456 400800**

Safety and care advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the following pages.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- During assembly do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.
- To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting.
- Improper use of electrical tools will crack the components.
- Dispose of all packaging carefully and responsibly.
- **WARNING!** Contains Silica Gel Desiccant. Discard safely away from babies and children.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

- Assemble all parts and bolts loosely during assembly, once the product is complete you should fully tighten the bolts.
- Regularly check and ensure that all bolts and fittings are tightened properly.

Note: If required, the next page can be cut out and used as reference throughout the assembly. Keep this page with these instructions for future reference.
