Warning

1. No naked flame sources, such as lighted candles, should be placed on the speaker.
2. Do not place the product in enclosed bookcases or racks without proper ventilation.
3. The USB (Type-C) Charging Cable is used as the disconnect device and must be easily reached to unplug.
4. The ventilation should not be impeded by covering the ventilation openings with items, such as newspapers, table-cloths, curtains, etc.
5. The unit should not be exposed to very high (over 45°C) or low temperature (less than 0°C), vibrations or placed in dusty environment.
6. Do not use abrasives, benzene, thinner or other solvents to clean the surface of the units. To clean, wipe with clean soft cloth and a mild detergent solution.
7. Never attempt to insert wires, pins or other such objects into the vents or opening of the unit.
8. Do not disassemble or modify the speaker there are no user serviceable parts.
9. If the speaker is damaged in anyway or malfunctions do not use. Consult a qualified service engineer.
10. Attention should be drawn to the environmental aspects of Li-ion battery disposal.
11. Do not dispose this product with household waste at the end of its life cycle; hand it over to a collection center for the recycling of electrical and electronic appliances.
12. Safety text related to safe use of Lithium-ion battery pack charging
 - Protect product against mechanical damage.
 - Use carefully in wet conditions to protect against intrusion of liquids (DO NOT allow intrusion of conductive or corrosive liquids).
 - Store away from combustible materials.

Safe charging:

- During charging and storage, keep away from flammable materials and away from direct sun or any heat source.

Discontinue use, if:

- There are any abnormalities in the charging process (stop charging and disconnect charging cable)
- The product is dropped or suffers any mechanical impact with noticeable damage to the housing.
- Upon inspection, there are any signs of mechanical damage that may allow ingresses of water (punctures, cuts, or deformation in the housing).
