

PERSONALISED PET MEMORIES

Welcome to your personalised pet memories pack where you can choose 1 of 20 purrfect products to place in the home you share with your best friend.

From comfy cushions that display just how much you love your pooch to jars and bowls fit for royalty and cute wooden keyrings in the shape of cats and dogs, any gift you select will capture the purrfect pet memory and make it everlasting. Be sure to give the star of the show, aka the fluffy king or queen of the castle, the final choice. After all, they will have to cherish it too!

With a choice of beautiful wooden signs available, there are wonderful options to display paw-sitive sayings as well as a place to hook the ever-important dog lead. It will be centre-stage on any wall, just like your pets take centre-stage in your heart and home.

Make the couch even comfier for your pet with a cushion dedicated to their fluffy presence. They'll be king or queen of the castle (couch) with a throne perfect for them. What's more, it is personalised with all the things you love most about your darling companion.

Bowl or Treat Jar >

Something for the furball which might just go down a treat! With royal bowls that display their regal nature and mason jars that can be personalised so that no other paws can touch the treats. Personalise an item just for them and your beloved pet will love you even more than they already do.

Novelty Keyring or Mug >

Carry the heart of your pooch or kitten wherever you go with a wooden keyring that will capture your puppy eyes for their fluffiness. Or, declare your puppy love for your dog with a ceramic mug that will become your favourite for that morning cuppa before taking your bestie for their daily walk.
