

ANIMAL ADOPTION PACK

Welcome to your animal adoption pack where you have a choice of 12 incredible creatures to adopt for 12 life-changing months, plus a whole host of information for the entire family to enjoy. Each adorable animal is more than deserving of your love, so which will you choose? From the doe-eyed donkey to the mischievous monkey, there are plenty of options: Find Me a Gift's top picks are just the beginning.

What's more, you will be greatly aiding individual charities from the UK and beyond; their extraordinary efforts and conservation work helps the glorious animals of the world live healthier, happier and longer.

Donkey ▼

Care for one of the beautiful animals at Island Farm in Oxfordshire and financially help this donkey sanctuary with the upkeep and love volunteers give. Don't let those sad eyes fool you, their hearts will be happy and full of love.

Meerkat ▲

You can help wild Madagascan meerkats move it, move it in South Africa by aiding the conservation project, Meerkat Magic. These happy animals will be eternally grateful and will continue to live their carefree ways with your devotion.

Panda >

Make a difference to these cuddly bears that love to eat and play. Their cute faces will be full of love for you as will the volunteers at Pandas International. You will receive a host of colourful information for the entire family to enjoy.

Elephant >

You'll never forget the moment you decide to help a beautiful elephant who lives in the heart of Asia and we're sure People's Trust for Endangered Species won't either. This charity maps elephant travel and migration routes whilst you pore over the information inside the tin and be a proud supporter at the same time.

Orca >

Every 90s child dreams of saving Willy, the orca. Now you can help keep Willy and the rest of these magnificent creatures safe with an adoption pack that directly aids ORCA, the charity that monitors UK and European waters and numerous conversation projects.

Penguin <

Keep these flightless birds alive and aid the Galapagos Conservation Trust by choosing to sponsor a cute penguin and his friends. These penguins will continue their fearless life among the fishes and enjoy the love you give them.
