Plus many more exciting options. We have carefully selected our top picks to inspire you.

Coordinates... ▼

Display the memorable spot you hold dear in your heart with the specific coordinates that won't be found anywhere else on earth. From your childhood home to the place you met the love of your life, anywhere that sparks happy nostalgia can be remembered forever with this box.

Fly Me to the Moon... ▲

For the celestial lovers and dreamers of the galaxy beyond, this beautiful photo box is engraved with the words "Fly Me to the Moon", complete with a crescent heart above it, perfect to keep all the starry-eyed moments that you'll never forget safe.

My Story... >

Showcase your own personal timeline with special moments of your life that remain playing on a loop in your head and make your heart swell with happiness. The only downside is you have to choose the top six memories that make the final cut to the story of your amazing life.

Couple's Letter... ➤

A charming, romantic version to treasure memories between you and your loved one. Two initials with a heart in-between will adorn the lid. Written inside each letter will be things that you cherish together, perhaps a significant place that you both adore and your favourite Netflix show you can't get enough of.

10 Things I Love About... ➤

A beautiful selection with choices of people and things that you can share your love of. From family to your home, there is plenty of choice in a colourway that will suit your personality and joyful memories.

Letter... ➤

For the ultimate unique photo box, choose the one that will have your initial displayed on the top with up to 10 of your favourite things repeated inside. Whatever you love – from wine to chocolate, films to travel – will be written as mementos of some of your most treasured memories.
