## OUR FAMILY IN WORDS

Welcome to your our family in words gift pack full of gifts to showcase the love you have for your family. With a carefully selected 20 options, this pack has wonderful keepsakes and mementos such as cushions, lightboxes and wall art to choose one from. There are so many ways to say what they mean to you in words that are as eloquent or hilarious as you like. After all, this gift will reflect your entire family in their own special way.

We have our top picks to guide you to making the right selection for you and your loved ones.

## Timeline Poster

Highlight the important moments that have made your family history come alive. From when someone learned to ride their bike to the momentous 90th birthday party for Grandpa. With between 5 and 9 memories, you'll have to decide your favourites to put on this timeline.

## Family Print

What makes your family whole? Is it the monthly dinners where everyone comes together? Is it the annual trip to the seaside? Is it the mutual hatred for a football team, or a combination of so much more? This print will display everything that makes your family who they are.

## 10 Things I Love About My Family

From the unbreakable bond and the raucous laughter every time you get together, to the un-matched loyalty that makes you so proud, personalise your wall art with the top ten things you love most about your family and display it in the heart of your home.

## Family Initial Cushion >

Take your surname's initial and personalise a comfy cushion with it for the ultimate home accessory filled with love. Not only will your initial and surname be the centre-stage of your couch, the things you love most about your family will be intricately displayed inside the letter too.

## Family Memory Box >

A keepsake box waiting to be filled with the family's most prized possessions and memories. This oak memory box can be personalised with the family name on the removable lid and also has space to fit four fabulous photos. This can then be placed in a location for everyone to enjoy.

## Family Tree Lightbox <

Illuminate the family home with a tree that displays your nearest and dearest. Whether you choose members of your family or select the friends you call family, or even include your pets, this family tree has your heart in its centre.
