

## PERSONALISED LIGHTBOX COLLECTION

Welcome to your personalised lightbox collection gift where you can choose 1 of 70 spectacular personalised lightboxes dedicated to your life. Fill that blank space on your bedside table or office desk and put your most treasured thoughts, memories and feelings together to display in the heart of your home.

Find Me a Gift's top picks are just the cherries on top of a beautiful selection that will make your jaw drop in complete awe.

## Timelines ▾

Pinpoint crucial moments in your own life or relationship and display them in a colourful or sophisticated timeline to treasure forever.

## Our Special Song ▲

Music memories last a lifetime, bringing a flood of emotion to your heart. Display a precious lightbox with the soundtrack to your life or a significant moment you love.

## My Likes >

A distinctive lightbox crammed with almost all your favourite things in a colour scheme that reflects your wacky or sophisticated personality and home.

Revisit the moment you first met the love of your life whether that's your partner or puppy and place a heart on the exact location, so you'll always have a memento of that unforgettable spot.

A lavish selection of lightboxes with choices of people and things that you can share your love of. From family to your home, there is plenty of choice in a colourway that will suit your personality.

The shape of your unique initial will be filled with 15 of the things you love most in the entire world, making this lightbox as extraordinary as you are.
