Inspired by people with MOMENTUM.

MOMENTUM In-Ear

MOMENTUM In-Ear

Sennheiser's MOMENTUM headphones revolutionised fashionable headphones through premium design and acclaimed sound performance — matching style with substance. Now Sennheiser goes further by bringing the MOMENTUM ethos to an in ear headphone — the MOMENTUM In-Ear. Fusing elegant ergonomic design with new class-leading proprietary transducer technology from Sennheiser to deliver the MOMENTUM sound signature: A powerful bass response, detailed vocal projection and a great sound stage. It's an incredible listening experience in the smallest, most compact form.

- Custom machined stainless steel acoustic pipe for more accurate sound
- High-quality dynamic speaker system and excellent attenuation of ambient noise
- Personalised fit in the ear canals (ear adapters in different sizes included)
- Available in two variants with a 3-button in-line remote with an integrated mic optimised for either Apple iOS or Samsung Galaxy™ smart devices
- Two-toned, elliptical cable for a tangle-free listening experience
- Convenient premium carrying case included
- 2 year warranty
